Re: Evergreen Center Investigation

Dear Attorney Margolin:

Thank you for forwarding to DLC the packet of materials attesting to and documenting Evergreen Center's fulsome response to DLC's requested Additional Remedial Actions, as set forth in our Final Investigative Report, dated April 7, 2016. We view quite positively the steps that Evergreen Center has taken to strengthen its policies for the reporting of suspected abuse of individuals under 18 years of age and individuals 18 years of age or older, for strengthening its policies and practices concerning skin checks of students, and building upon its training programs for staff concerning mandated reporting obligations and other issues.

We write to acknowledge receipt of those materials and our satisfaction with Evergreen's response to our request for remedial actions. We also write to note formally that DLC's investigation of Evergreen Center, Inc./"PK"(pseudonym used in public report) matter is now concluded.

Thanks to you and your client for your full cooperation in our investigation.

Sincerely,

Stanley J. Eichner
