A visiting nurse, personal care attendant, or home health aide providing care to a registered qualifying patient may serve as a personal caregiver, including to patients under 18 years of age as a second caregiver.

Premises means any indoor or outdoor location over which a social consumption operation or its agents may lawfully exert substantial supervision or control over entry, property or the conduct of persons.

Priority Applicant means a registered marijuana dispensary with a final or provisional certificate of registration in good standing with the Department of Public Health or Commission, as applicable ("Priority RMD Applicant"), or an applicant who demonstrates experience in or business practices that promote economic empowerment in communities disproportionately impacted by high rates of arrest and incarceration for offenses under chapter 94C ("Priority Justice Applicant").

Process or processing means to harvest, dry, cure, trim and separate parts of the marijuana plant by manual or mechanical means, except it shall not include manufacture as defined in this section.

Production Area means any limited access area within the Marijuana Establishment where marijuana is handled or produced in preparation for sale.

Production batch means a batch of finished plant material, cannabis resin, cannabis concentrate or marijuana-infused product made at the same time, using the same methods, equipment and ingredients. The licensee shall assign and record a unique, sequential alphanumeric identifier to each production batch for the purposes of production tracking, product labeling and product recalls. All production batches shall be traceable to 1 or more marijuana cultivation batches.

Propagation means the reproduction of marijuana plants by seeds, cuttings, or grafting.

Provisional Marijuana Establishment License means a certificate issued by the Commission confirming that a Marijuana Establishment has completed the application process.

Qualifying Patient means a Massachusetts resident 18 years of age or older who has been diagnosed by a Massachusetts licensed healthcare provider as having a debilitating medical condition, or a Massachusetts resident under 18 years of age who has been diagnosed by two Massachusetts licensed certifying physicians, at least one of whom is a board-certified

pediatrician or board-certified pediatric subspecialist, as having a debilitating medical condition that is also a life-limiting illness, subject to 105 CMR 725.010(J).

Real-Time Inventory means using a single electronic system to capture everything that happens to an individual marijuana plant, from seed and cultivation, through growth, harvest and preparation of MIPs, if any, to final sale of finished products. This system shall chronicle every step, ingredient, activity, transaction, and Marijuana Establishment Agent, registered qualifying patient, or personal caregiver who handles, obtains, or possesses the product. This system shall utilize a unique plant identification and unique batch identification.

Registered Qualifying Patient means a qualifying patient who has applied for and received a registration card from the Commission.

Registrant means the holder of a registration card or a license, or a certifying healthcare provider registered with the Department of Public Health.

Registration Card means a Medical Use of Marijuana Program identification card issued by the Department of Public Health to a registered qualifying patient, personal caregiver, institutional caregiver, registered marijuana dispensary agent or laboratory agent, or issued by the Commission to a Marijuana Establishment Agent or laboratory agent. The registration card facilitates verification of an individual registrant's status. The registration card allows access into appropriate elements of a Commission-supported, interoperable database in which detailed information regarding certifications and possession criteria are stored. The registration card facilitates identification for the Commission and law enforcement authorities, of those individuals who are exempt from Massachusetts criminal and civil penalties for the medical use of marijuana in compliance with Ch. 369 of the Acts of 2012, 105 CMR 725.000, 935 CMR 500.000, and the Act.

(B) Registration Card Holder Fees

- (1) An applicant for a Registration Card as a Marijuana Establishment Agent, a Marijuana-Related Business Agent, an Independent Testing Laboratory Agent, or any other position designated as an agent by the Commission shall pay a non-refundable application fee of \$50 with any such application.
- (2) An applicant for a renewal of a Registration Card as a Marijuana Establishment Agent, a Marijuana-Related Business Agent, an Independent Testing Laboratory

Agent, or any other position designated as an agent by the Commission shall pay a fee of \$50.

(C) Fingerprint-Based Criminal Background Checks Fees

- (1) All persons required to submit fingerprints shall pay a fee to be established by the Secretary of Administration and Finance, in consultation with the Secretary of Public Safety and the Commission, to offset the costs of operating and administering a fingerprint-based criminal background check system. The Secretary of Administration and Finance, in consultation with the Secretary of Public Safety and the Commission, may increase the fee accordingly if the Federal Bureau of Investigation increases its fingerprint background check service fee.
- (2) The Commission may pay the fee on behalf of applicants or reimburse applicants for all or part of the fee on the grounds of financial hardship.
- (3) Any fees collected from fingerprinting activity under this chapter shall be deposited into the Fingerprint-Based Background Check Trust Fund, established in section 2HHHH of chapter 29 of the General Laws.

(D) Fines

- (1) The Commission may issue an order to a licensee to show cause as to why a fine or other financial penalty against a licensee should not be imposed for any acts or omissions which are in violation of any provision of the Act or any regulation adopted pursuant thereto. Each such order:
 - (a) shall be in writing;
 - (b) shall describe with particularity the nature of the violation, including a reference to the law or regulation determined to have been violated;
 - (c) may contain an assessment of an administrative fine of up to \$25,000, and/or an order of abatement fixing a reasonable time for abatement of the violation;
 - (d) shall be served personally or by certified mail; and
 - (e) shall inform the licensee or person that he or she may request an adjudicatory hearing.
- (2) Failure to pay a fine within 30 calendar days of the date of the assessment, unless the order is appealed pursuant to 935 CMR 500.500, may result in further action being taken by the Commission including, but not limited to, suspension or revocation of a license. If an order is not appealed and the fine is not paid, the full amount of the assessed fine shall be added to the fee for renewal of the license. A license shall not be renewed without the payment of the renewal fee and fine.
- (3) Nothing in this section shall be deemed to prevent the Commission from issuing an order to suspend or revoke a license or registration card where grounds for such suspension or revocation exist.

- (4) An administrative fine up to \$25,000 may be assessed for each violation, but the decision to impose any fine shall include the factors considered by the Commission in setting the amount of the fine. Each day during which a violation continues may constitute a separate offense, and each provision of 935 CMR 500.000 or the Act that is violated may constitute a separate offense.
- (5) The Commission, in determining the amount of sanctions to impose may consider mitigating circumstances, including but not limited to:
- (a) the licensee's good faith efforts to avoid a violation;
 - (b) the licensee's cooperation in the investigation;
 - (c) the licensee's willingness to accept responsibility;
 - (d) the licensee's status as current or past leader pursuant to the Leadership Ratings Program under 935 CMR 500.040 and
 - (e) the licensee's compliance with the training requirements pursuant to 935 CMR 500.105(B).
- (E) All fees, fines, and penalties collected by or on behalf of the Commission, except for fingerprint-based criminal background checks, shall be made payable to the Commission and deposited into the Marijuana Regulation Fund.

500.030: Registration of Marijuana Establishment Agents

- (A) A Marijuana Establishment shall apply for Marijuana Establishment Agent registration for all board members, directors, employees, executives, managers, and volunteers who are associated with that Marijuana Establishment. The Commission shall issue a Marijuana Establishment Agent registration card to each individual determined to be suitable for registration. All such individuals shall:
- (a) Be at least 21 years old;
 - (b) Have not been convicted of an offense in the Commonwealth involving the distribution of controlled substances to minors, or a like violation of the laws of another state, the United States or a military, territorial, or Indian tribal authority; and
 - (c) Be determined to be suitable for registration consistent the provisions of 935 CMR 500.902.
- (B) An application for registration of a Marijuana Establishment Agent shall include:
- (a) The full name, date of birth, and address of the individual;

- (b) All aliases used previously or currently in use by the individual, including maiden name, if any;
 - (c) A copy of the Marijuana Establishment Agent's driver's license, government-issued identification card, liquor purchase identification card issued pursuant to M.G.L. c.138 §34B, or other verifiable identity document acceptable to the Commission;
 - (d) An attestation that the individual will not engage in the diversion of marijuana;
 - (e) Written acknowledgement by the Marijuana Establishment Agent applicant of any limitations on his or her authorization to cultivate, harvest, prepare, package, possess, transport, and dispense marijuana in the Commonwealth;
 - (f) Background information, including, as applicable:
 - i. A description and the relevant dates of any criminal action under the laws of the Commonwealth, or another state, the United States, or a military, territorial, or Indian tribal authority, whether for a felony or misdemeanor and which resulted in conviction, or guilty plea, or plea of nolo contendere, or admission of sufficient facts;
 - ii. A description and the relevant dates of any civil or administrative action under the laws of the Commonwealth, another state, the United States, or a military, territorial, or Indian tribal authority relating to any profession or occupation or fraudulent practices;
 - iii. A description and relevant dates of any past or pending denial, suspension, or revocation of a license or registration, or the denial of a renewal of a license or registration, for any type of business or profession, by any federal, state, or local government, or any foreign jurisdiction;
 - iv. A description and relevant dates of any past discipline by, or a pending disciplinary action or unresolved complaint by, the Commonwealth, or a like action or complaint by another state, the United States or a military, territorial, or Indian tribal authority with regard to any professional license or registration held by the applicant for Marijuana Establishment Agent; and
 - (g) A non-refundable application fee paid by the Marijuana Establishment with which the Marijuana Establishment Agent will be associated; and
 - (h) Any other information required by the Commission.
- (C) A Marijuana Establishment executive registered with the Department of Criminal Justice Information Systems pursuant to 803 CMR 2.04(2) shall submit to the Commission a Criminal Offender Record Information (CORI) report and any other background check information required by the Commission for each individual for whom the Marijuana Establishment seeks a dispensary agent registration, obtained within 30 days prior to submission.

- (D) A Marijuana Establishment shall notify the Commission no more than one business day after a Marijuana Establishment Agent ceases to be associated with the Marijuana Establishment. The Marijuana Establishment Agent's registration shall be immediately void when the Agent is no longer associated with the Marijuana Establishment.
- (E) A registration card shall be valid for one year from the date of issue, and may be renewed on an annual basis upon a determination by the Commission that the applicant for renewal continues to be suitable for registration.
- (F) After obtaining a registration card for a Marijuana Establishment Agent, a Marijuana Establishment is responsible for notifying the Commission, in a form and manner determined by the Commission, as soon as possible, but in any event, within five (5) business days of any changes to the information that the Marijuana Establishment was previously required to submit to the Commission or after discovery that a registration card has been lost or stolen.
- (G) A Marijuana Establishment Agent shall carry the registration card associated with the appropriate Marijuana Establishment at all times while in possession of marijuana, including at all times while at a Marijuana Establishment or while transporting marijuana.
- (H) A Marijuana Establishment Agent affiliated with multiple Marijuana Establishments shall be registered as a Marijuana Establishment Agent by each Marijuana Establishment and shall be issued a registration card for each Establishment.

500.031: Denial of a Registration Card

Each of the following, in and of itself, constitutes full and adequate grounds for denial of a registration card for a Marijuana Establishment Agent:

- (A) Failure to provide the information required in 935 CMR 500.030 for a registration card;
- (B) Provision of misleading, incorrect, false, or fraudulent information on the application;
- (C) Failure to meet the requirements set forth in 935 CMR 500.030 for a registration card;
- (D) Revocation or suspension of a registration card in the previous 6 months;
- (E) Failure by the Marijuana Establishment to pay all applicable fees; or
- (F) Other grounds, as determined by the Commission, that are inconsistent with the intent of 935 CMR 500.000 or the Act; provided, however, that the Commission shall notify the applicant of the grounds prior to denial and provide a reasonable opportunity to cure the defect.

500.032: Revocation of a Marijuana Establishment Agent Registration Card

- (A) Each of the following, in and of itself, constitutes full and adequate grounds for revocation of a registration card issued to a Marijuana Establishment Agent:

- (1) Submission of misleading, incorrect, false, or fraudulent information in the application or renewal application;
 - (2) Violation of the requirements of the Act or 935 CMR 500.000;
 - (3) Fraudulent use of a Marijuana Establishment Agent registration card;
 - (4) Selling, distributing, or giving marijuana to any unauthorized person;
 - (5) Tampering, falsifying, altering, modifying, duplicating, or allowing another person to use, tamper, falsify, alter, modify, or duplicate a Marijuana Establishment Agent registration card;
 - (6) Failure to notify the Commission within 5 business days after becoming aware that the registration card has been lost, stolen, or destroyed;
 - (7) Failure to notify the Commission within 5 business days after a change in the registration information contained in the application or required by the Commission to have been submitted in connection with the application for a Marijuana Establishment Agent registration card, including open investigations or pending actions as delineated in 935 CMR 500.902, as applicable, that may otherwise affect the status of the suitability for registration of the Marijuana Establishment Agent;
 - (8) Conviction, guilty plea, plea of nolo contendere, or admission to sufficient facts of a felony drug offense involving distribution to a minor in the Commonwealth, or a like violation of the laws of another state, the United States or a military, territorial, or Indian tribal authority; or

(6) Additional License Requirements.

(a) In addition to the requirements set forth in 935 CMR 500.101(B)(4), applicants for a license to operate a Marijuana Establishment for retail shall also provide, as part of the Management and Operation Profile packet, a detailed description of the Marijuana Establishment's proposed plan for obtaining marijuana or marijuana products from a licensed Marijuana Cultivator;

(b) In addition to the requirements set forth in 935 CMR 500.101(B)(4), applicants for a license to operate Marijuana Establishment for cultivation shall also provide as part of the Management and Operation Profile packet an operational plan for the cultivation of marijuana, including a detailed summary of the policies and procedures for cultivation.

(c) In addition to the requirements set forth in 935 CMR 500.101(B)(4), applicants for a license to operate Marijuana Establishment for product manufacturing shall also provide as part of the Management and Operation Profile packet:

- (i) A description of the types and forms of marijuana products that the Marijuana Establishment intends to produce;
- (ii) The methods of production; and
- (iii) A sample of any unique identifying mark that will appear on any product produced by the applicant as a branding device.

(d) In addition to the requirements set forth in 935 CMR 500.101(B)(4), applicants for a license to operate a Marijuana Establishment for social consumption as a Primary Use licensee shall also provide as part of the Management and Operation Profile packet a detailed description of the applicant's plan to assist with patron transportation.

- (e) In addition to the requirements set forth in 935 CMR 500.101 (B)(4), applicants for a license to operate a Marijuana Establishment as a micro business shall also provide as part of the Application of Intent evidence of residency within the Commonwealth for a period of 12 consecutive months prior to the date of application.
- (f) In addition to the requirements set forth in 935 CMR 500.101(B)(4), applicants for a license to operate a Marijuana Establishment as a Craft Marijuana Cooperative shall also provide as part of the Application of Intent:
 - i. Evidence of residency within the Commonwealth for a period of 12 consecutive months prior to the date of application; and
 - ii. Evidence of the Craft Marijuana Cooperative's organization as a limited liability company or limited liability partnership under the laws of the Commonwealth.

500.102: Action on Applications

(A) Action on Each Packet. The Commission shall grant licenses with the goal of ensuring that the needs of the Commonwealth are met with regard to access, quality, and community safety.

1. Packets comprising the license application shall be evaluated based on the Applicant's (i) demonstrated compliance with the laws and regulations of the Commonwealth; (ii) suitability for licensure based on the provisions of 935 CMR 500.101(A) or (B) and the factors set forth in 935 CMR 500.901; and (iii) evaluation of the thoroughness of the applicants' responses to the required criteria. The Commission shall consider each packet submitted by an Applicant on a rolling basis.
2. The Commission shall notify each applicant in writing that: (a) that the applicant qualifies as an Economic Empowerment priority applicant pursuant to the criteria set forth in 935 CMR 500.101(A)(5), where applicable, and may be eligible for assistance through the Social Equity program established in 935 CMR 500.105(Q); (b) that the applicant has completed a packet; or (c) that the Commission requires further information within a specified period of time before the packet is determined to be complete.
3. Failure of the applicant to adequately address all required items in its application in the time required by the Commission will result in evaluation of the application as submitted. The applicant will not be permitted to provide supplemental materials unless specifically requested by the Commission. Nothing in 935 CMR 500.100 is intended to confer a property or other right or interest entitling an applicant to a hearing before an application may be denied.
4. Upon determination that the application is complete, a copy of the completed application, to the extent permitted by law, will be forwarded to the

municipality in which the Marijuana Establishment will be located. Pursuant to 935 CMR 500.101(A)(1)(i) and (g), the Commission shall request that the municipality respond within sixty (60) days of the date of the correspondence that the applicant's proposed Marijuana Establishment is in compliance with municipal bylaws or ordinances.

(B) Action on Completed Applications.

1. Priority application review will be granted to a) applicants who are certified as eligible for the Economic Empowerment program, as defined in 935 CMR 500.101(A)(5); and b) existing RMD applicants as defined in 935 CMR 500.101(B)(1).
2. The Commission shall review applications from priority applicants on an alternating basis, beginning with the first-in-time-application received from either an Existing RMD applicant or Economic Empowerment applicant as recorded by the Commission's electronic license application tracking system. Where no completed application is available for review by the Commission from either of the priority groups defined in 935 CMR 500.102(B)(1), the Commission shall review the next complete application from either group.
3. The Commission shall grant or deny a provisional license not later than 90 days following notification to the Applicant that all required packets are considered complete. Applicants shall be notified in writing that (a) the Applicant shall receive a Provisional License which may be subject to further conditions as determined by the Commission; or (b) the Applicant has been denied a license. Denial shall include a statement of the reasons for the denial.
4. Failure of the applicant to complete the application process within the time specified by the Commission in the application instructions shall be grounds for denial of a license.

500.103: Licensure and Renewal

(A) Provisional License

(1) Upon selection by the Commission, an applicant shall submit the required license fee and subsequently be issued a provisional license to develop Marijuana Establishments, in the name of the entity. Such provisional licenses shall be subject to reasonable conditions specified by the Commission, if any.

(a) Inspections:

- i. The Commission shall review architectural plans for the building or renovation of Marijuana Establishments. Construction or renovation related to such plans shall not begin until the Commission has granted approval. Submission of such plans shall be accompanied by a requisite fee and shall occur in a manner and form established by the Commission

including, but not limited to, a detailed floor plan of the premises of the proposed Marijuana Establishments that identifies the square footage available and describes the functional areas of the Marijuana Establishments, including areas for any preparation of marijuana products, and, if applicable, such information for the single allowable off-premises location in Massachusetts where marijuana will be cultivated or marijuana products will be prepared; and a description of plans to ensure that the Marijuana Establishments will be compliant with requirements of the Americans with Disabilities Act (ADA) Accessibility Guidelines;

- ii. Marijuana Establishments shall construct its dispensary, processing and cultivation facilities in accordance with 935 CMR 500.000, conditions set forth by the Commission in its provisional license and architectural review, and any applicable state and local laws, regulations, permits or licenses;
- iii. The Commission may conduct inspections of the dispensary, processing and cultivation facilities, as well as review all written materials required in accordance with 935 CMR 500.000.

(B) Final License: Upon completion of all inspections required by the Commission, Marijuana Establishments is eligible for a final license. All information described in 935 CMR 500.000 that is not available at the time of submission, must be provided to and approved by the Commission, before Marijuana Establishments may receive a final license. Such final licenses shall be subject to reasonable conditions specified by the Commission, if any.

(1) No person shall operate a Marijuana Establishments without a final license issued by the Commission.

(2) A provisional or final license may not be assigned or transferred without prior Commission approval.

(3) A provisional or final license shall be immediately null and void if the Marijuana Establishments ceases to operate, or if, without the permission of the Commission, it relocates.

(4) Acceptance of a provisional or final license constitutes an agreement by the Marijuana Establishments that it will adhere to the practices, policies, and procedures that are described in its application materials, as well as all relevant laws, regulations, and any conditions imposed by the Commission as part of registration.

(5) The Marijuana Establishments shall post the final license in a conspicuous location on the premises at each Commission-approved location.

(6) The Marijuana Establishments shall conduct all activities authorized by 935 CMR 500.000 at the address(es) identified on the final license issued by the Commission.

(C) The Marijuana Establishments must be operational within the time indicated in 935 CMR 500.100(A)(3)(d) or 935 CMR 500.100(B)(4)(e) or as otherwise amended through the application process, and approved by the Commission through the issuance of a final license.

(D) Expiration and Renewal of Registration. The Marijuana Establishments' license, as applicable, shall expire one year after the date of issuance of the provisional license and annually thereafter, and may be renewed as follows unless an action has been taken based upon the grounds set forth in 935 CMR 500.405:

(1) No later than 60 calendar days prior to the expiration date, Marijuana Establishments shall submit a completed renewal application to the Commission in a form and manner determined by the Commission, as well as the required fee. Licensees shall submit as a component of the renewal application a report or other information demonstrating the licensee's efforts to comply with the plans required under 935 CMR 500.101(A)(1)(k) and (A)(3)(g)(xi) or 935 CMR 500.101(B)(2)(i) and (B)(4)(h)(xi), as applicable.

(2) The Marijuana Establishments shall update as needed, and ensure the accuracy of, all information that it submitted on its initial application for a license.

(3) The Commission shall issue a renewal license within 30 days of receipt of a renewal application and renewal license fee from a Marijuana Establishment to licensees in good standing and who have filed any tax returns required pursuant to M.G.L. c. 64N.

500.104: Notification of Change

(A) Prior to changing location(s), the Marijuana Establishments shall submit a request for such change to the Commission and shall pay the appropriate fee. No such change shall be permitted until approved by the Commission.

(B) Prior to any change in ownership, where an owner acquires or increases to 10% or more of the equity, the Marijuana Establishment shall submit a request for such change to the Commission and shall pay the appropriate fee, if any. No such change shall be permitted until approved by the Commission.

(C) Prior to any modification, remodeling, expansion, reduction, or other physical, non-cosmetic alteration of the Marijuana Establishments, the Marijuana Establishments shall submit an application for such change to the Commission and shall pay the appropriate fee. No such change shall be permitted until approved by the Commission.

(D) Prior to changing its name, the Marijuana Establishments shall notify the Commission and shall pay the appropriate fee. No such change shall be permitted until approved by the Commission.

(E) The Marijuana Establishments shall keep current all information required by 935 CMR 500.000, or otherwise required by the Commission. The Marijuana Establishments shall report any changes in or additions to the content of the information contained in any document to the Commission within five business days after such change or addition.

500.105: General Operational Requirements for Marijuana Establishments

- (A) Written Operating Procedures. Every Marijuana Establishment shall have and follow a set of detailed written operating procedures. If the Marijuana Establishment has a second location, it shall develop and follow a set of such operating procedures for that facility. Operating procedures shall include but need not be limited to the following:
- (1) Security measures in compliance with 935 CMR 500.110;
 - (2) Employee security policies, including personal safety and crime prevention techniques;

 - (11) A plan describing how confidential information will be maintained;
 - (12) A policy for the immediate dismissal of any Marijuana Establishment Agent who has:
 - (a) Diverted marijuana, which shall be reported to law enforcement officials and to the Commission;
 - (b) Engaged in unsafe practices with regard to operation of the Marijuana Establishment, which shall be reported to the Commission; or
 - (c) Been convicted or entered a guilty plea, plea of nolo contendere, or admission to sufficient facts of a felony drug offense involving distribution to a minor in the Commonwealth, or a like violation of the laws of another state, the United States or a military, territorial, or Indian tribal authority.
 - (13) A list of all board members and executives of a Marijuana Establishment, and members, if any, of the applicant, must be made available upon request by any individual. This

requirement may be fulfilled by placing this information on the Marijuana Establishment's website.

(14) Policy and procedure for the handling of cash on Marijuana Establishment premises including but not limited to storage, collection frequency, and transport to financial institution(s).

(15) Policy and procedures to prevent the diversion of marijuana to individuals under 21 years of age.

(B) Marijuana Establishment Agent Training. Marijuana Establishments shall ensure that all Marijuana Establishment Agents complete training prior to performing job functions. Training shall be tailored to the roles and responsibilities of the job function of each Marijuana Establishment Agent, and at a minimum must include a responsible vendor program under 935 CMR 500.105(B). At a minimum, staff shall receive 8 hours of on-going training annually.

(C) Requirements for the Handling of Marijuana

(1) A Marijuana Establishment authorized to process marijuana shall do so in a safe and sanitary manner. A Marijuana Establishment shall process the leaves and flowers of the female marijuana plant only, which shall be:

- (a) Well cured and free of seeds and stems;
- (b) Free of dirt, sand, debris, and other foreign matter;
- (c) Free of contamination by mold, rot, other fungus, and bacterial diseases;
- (d) Prepared and handled on food-grade stainless steel tables; and
- (e) Packaged in a secure area.

(2) All Marijuana Establishments, including those that develop or process non-edible Marijuana products, shall comply with the following sanitary requirements:

- (a) Any Marijuana Establishment Agent whose job includes contact with marijuana or non edible Marijuana products, including cultivation, production, or packaging, is subject to the requirements for food handlers specified in 105 CMR 300.000: *Reportable Diseases, Surveillance, and Isolation and Quarantine Requirements*;
- (b) Any Marijuana Establishment Agent working in direct contact with preparation of marijuana or non-edible Marijuana products shall conform to sanitary practices while on duty, including:
 - (i) Maintaining adequate personal cleanliness; and
 - (ii) Washing hands thoroughly in an adequate hand-washing area before starting work, and at any other time when hands may have become soiled or contaminated.
- (c) Hand-washing facilities shall be adequate and convenient and shall be furnished with running water at a suitable temperature. Hand-washing facilities shall be

located in the Marijuana Establishment in production areas and where good sanitary practices require employees to wash and/or sanitize their hands, and shall provide effective hand-cleaning and sanitizing preparations and sanitary towel service or suitable drying devices;

- (d) There shall be sufficient space for placement of equipment and storage of materials as is necessary for the maintenance of sanitary operations;
- (e) Litter and waste shall be properly removed, disposed of so as to minimize the development of odor, and minimize the potential for the waste attracting and harboring pests. The operating systems for waste disposal shall be maintained in an adequate manner pursuant to 935 CMR 500.105(L);
- (f) Floors, walls, and ceilings shall be constructed in such a manner that they may be adequately kept clean and in good repair;
- (g) There shall be adequate safety lighting in all processing and storage areas, as well as areas where equipment or utensils are cleaned;
- (h) Buildings, fixtures, and other physical facilities shall be maintained in a sanitary condition;
- (i) All contact surfaces, including utensils and equipment, shall be maintained in a clean and sanitary condition. Such surfaces shall be cleaned and sanitized as frequently as necessary to protect against contamination, using a sanitizing agent registered by the U.S. Environmental Protection Agency (EPA), in accordance with labeled instructions. Equipment and utensils shall be so designed and of such material and workmanship as to be adequately cleanable;
- (j) All toxic items shall be identified, held, and stored in a manner that protects against contamination of marijuana and Marijuana products;
- (k) A Marijuana Establishment's water supply shall be sufficient for necessary operations. Any private water source shall be capable of providing a safe, potable, and adequate supply of water to meet the Marijuana Establishment's needs;
- (l) Plumbing shall be of adequate size and design, and adequately installed and maintained to carry sufficient quantities of water to required locations throughout the Marijuana Establishment. Plumbing shall properly convey sewage and liquid disposable waste from the Marijuana Establishment. There shall be no cross-connections between the potable and waste water lines;
- (m) A Marijuana Establishment shall provide its employees with adequate, readily accessible toilet facilities that are maintained in a sanitary condition and in good repair;

(n) Products that can support the rapid growth of undesirable microorganisms shall be held in a manner that prevents the growth of these microorganisms; and

(o) Storage and transportation of finished products shall be under conditions that will protect them against physical, chemical, and microbial contamination as well as against deterioration of them or their container.

(D) Marketing and Advertising Requirements

(1) Permitted Practices

(a) A Marijuana Establishment may develop a logo to be used in labeling, signage, and other materials; provided, however, that use of medical symbols, images of marijuana, related paraphernalia, and colloquial references to cannabis and marijuana are prohibited from use in this logo.

(b) Sponsorship of a charitable, sporting or similar event, except that advertising, marketing, and branding at, or in connection with, such an event, is prohibited unless at least 85 per cent of the audience is reasonably expected to be 21 years of age or older, as determined by reliable, up-to-date audience composition data;

(c) A Marijuana Establishment may display, in secure, locked cases, samples of each product offered for sale and subject to the requirements of 935 CMR 500.110. These display cases may be transparent; and an authorized marijuana establishment agent may remove a sample of marijuana from the case and provide it to the consumer for inspection, provided the consumer may not consume or otherwise use the sample unless otherwise authorized herein.

(d) A Marijuana Establishment may engage in reasonable marketing, advertising and branding practices that are not otherwise prohibited in 935 CMR 500.105(D)(2) that do not jeopardize the public health, welfare or safety of the general public or promote the diversion of marijuana or marijuana use in individuals under 21 years of age. Any such marketing, advertising and branding created for viewing by the public shall include the statement "Please Consume Responsibly," in a conspicuous manner on the face of the advertisement and shall include a minimum of two (2) of the following warnings in their entirety in a conspicuous manner on the face of the advertisement:

- i. "This product may cause impairment and may be habit forming."
- ii. Marijuana can impair concentration, coordination and judgment. Do not operate a vehicle or machinery under the influence of this drug."
- iii. "There may be health risks associated with consumption of this product."
- iv. "For use only by adults 21 years of age and older. Keep out of the reach of children."
- v. "Marijuana should not be used by women who are pregnant or breastfeeding."

(e) All marketing, advertising and branding produced by or on behalf of a Marijuana Establishment shall include the following warning, including capitalization, in accordance with M.G.L. c. 94G, §4(a ½)(xxix): "This product has not been analyzed or

approved by the FDA. There is limited information on the side effects of using this product, and there may be associated health risks. Marijuana use during pregnancy and breast-feeding may pose potential harms. It is against the law to drive or operate machinery when under the influence of this product. KEEP THIS PRODUCT AWAY FROM CHILDREN.” There may be health risks associated with consumption of this product. Marijuana can impair concentration, coordination, and judgment. The intoxicating effects of edible products may be delayed by 2 hours or more. In case of accidental ingestion, contact poison control hotline 1-800-222-1222. This product may be illegal outside of MA.”

- (2) Prohibited Practices. The following advertising, marketing, and branding activities are prohibited:
- (a) advertising, marketing, and branding in such a manner that is deemed to be deceptive, false, misleading, or untrue, or tends to deceive or create a misleading impression, whether directly, or by ambiguity or omission;
 - (b) advertising, marketing and branding by means of television, radio, internet or other electronic communication, billboard or other outdoor advertising, or print publication unless at least 85 per cent of the audience is reasonably expected to be 21 years of age or older, as determined by reliable, up-to-date audience composition data;
 - (c) advertising, marketing, and branding that utilizes statements, designs, representations, pictures or illustrations that portray anyone less than 21 years of age;
 - (d) advertising, marketing, and branding including, but not limited to, mascots, cartoons, brand sponsorships and celebrity endorsements, that is deemed to appeal to a person less than 21 year of age;
 - (e) advertising, marketing, and branding, including statements by a licensee, that makes any false or misleading statements concerning other licensees and the conduct and products of such other licensees;
 - (f) advertising, marketing, and branding through certain identified promotional items as determined by the Commission, including, but not limited to, giveaways, coupons, or “free” or “donated” marijuana;
 - (g) advertising, marketing, and branding by a licensee that asserts that its products are safe, or represent that its products have curative or therapeutic effects, other than labeling required pursuant to M.G.L. c. 94G, § 4(a½)(xxvi), unless supported by substantial evidence or substantial clinical data with reasonable scientific rigor as determined by the Commission;
 - (h) installation of any neon signage or any illuminated external signage which fails to comply with all local ordinances and requirements;
 - (i) installation of any external signage that is illuminated beyond the period of 30 minutes before sundown until closing;
 - (j) the use of vehicles equipped with radio or loud speakers for the advertising of marijuana;
 - (k) the use of radio or loud speaker equipment in any Marijuana Establishment for the purpose of attracting attention to the sale of marijuana;
 - (l) advertising, marketing, and branding at, or in connection with, a charitable, sporting or similar event, unless at least 85 per cent of the audience is reasonably expected to

- be 21 years of age or older, as determined by reliable, up-to-date audience composition data;
- (m) operation of any website of a Marijuana Establishment that fails to verify that the entrant is at least 21 years of age;
 - (n) use of unsolicited pop-up advertisements on the internet;
 - (o) any advertising, marketing, and branding materials for marijuana and marijuana products that fails to contain a standard health warning developed by the department of public health;
 - (p) Any advertising of an improper or objectionable nature, including, but not limited to, the use of recipe books or pamphlets for marijuana products which contain obscene or suggestive statements;
 - (q) Advertising, marketing or branding of marijuana or marijuana products, on clothing, cups, drink holders, apparel accessories, electronic equipment or accessories, sporting equipment, novelty items and similar portable promotional items;
 - (r) advertising, marketing or branding on or in public or private vehicles and at bus stops, taxi stands, transportation waiting areas, train stations, airports, or other similar transportation venues, including, but not limited to, vinyl-wrapped vehicles or signs or logos on delivery vehicles or company cars;
 - (s) signs or other printed matter advertising any brand or kind of marijuana product that are displayed on the exterior or interior of any licensed premises wherein marijuana products are not regularly and usually kept for sale;
 - (t) Advertising or marketing of the price of marijuana or marijuana products, except that it shall provide a catalogue or a printed list of the prices and strains of marijuana available at the Marijuana Establishment to consumers and may post the same catalogue or printed list on its website;
 - (u) Display of marijuana or marijuana products so as to be clearly visible to a person from the exterior of a Marijuana Establishment.

(E) Labeling of Marijuana and Marijuana Products.

- (1) Labeling of Marijuana Not Sold as a Marijuana Product. Prior to marijuana being sold or transferred a marijuana cultivator shall ensure the placement of a legible, firmly affixed label on which the wording is no less than 1/16 inch in size on each package of marijuana that it makes available for retail sale, containing at a minimum the following information:
 - (a) The name and registration number of the marijuana cultivator that produced the marijuana, together with the retail licensee's business telephone number and electronic mail address, and website information, if any;
 - (b) The quantity of usable marijuana contained within the package;
 - (c) The date that the marijuana retailer or marijuana cultivator packaged the contents and a statement of which licensee performed the packaging;
 - (d) A batch number, sequential serial number, and bar code when used, to identify the batch associated with manufacturing and processing;

- (e) The full cannabinoid profile of the marijuana contained within the package, including THC and other cannabinoid level;
- (f) A statement and a seal certifying that the product has been tested for contaminants, that there were no adverse findings, and the date of testing in accordance with G. L. c. 94G, § 15;
- (g) This statement, including capitalization: “This product has not been analyzed or approved by the FDA. This section shall apply to marijuana-infused tinctures and topicals produced by a marijuana product manufacturer for transport to a marijuana retailer in compliance with 935 CMR 500.105(M).

(F) Packaging of Marijuana and Marijuana Products

- 1. Child Resistant Packaging. Licensees licensed subject to 935 CMR 500.050 (E) shall ensure that all marijuana and marijuana products, other than those offered at wholesale by a marijuana cultivator, that are provided for sale to consumers by a licensee shall be sold in child resistant packaging. To be in compliance with this provision, licensees shall ensure:
 - a. That to the extent it is not unreasonably impracticable for the specific type of product, marijuana products are packaged in containers that are (i) opaque or plain in design; (ii) resealable for any marijuana product intended for more than a single use or containing multiple servings;

and (iii) certified by a qualified third-party child-resistant packaging testing firm that the packaging is in compliance with the most recent poison prevention packaging regulations of the U.S. Consumer Product Safety Commission as included at 16 C.F.R. 1700; or

- b. That where compliance with the requirements of child resistant packaging is deemed to be unreasonably impracticable, marijuana products shall be placed in an exit package that is (i) capable of being resealed and made child resistant again after it has been opened; (ii) includes the following statement, including capitalization, in at least 10-point Times New Roman, Helvetica or Arial font: KEEP OUT OF REACH OF CHILDREN; and (iii) is certified by a qualified third-party child-resistant packaging testing firm that the packaging is in compliance with the most recent poison prevention packaging regulations of the U.S. Consumer Product Safety Commission as included at 16 C.F.R. 1700.

2. Limits on Packaging Design. Packaging for marijuana or Marijuana Products sold or displayed for consumers, including any label or imprint affixed to any packaging containing marijuana and Marijuana Products or any exit packages, shall not be attractive minors. Packaging is explicitly prohibited from:

- a. Using bright colors, defined as colors that are “neon” in appearance;
- b. Imitating or having a semblance to any existing branded consumer products, including foods and beverages, that do not contain marijuana;
- c. Featuring cartoons;
- d. Featuring a design, brand or name that resembles a non-cannabis consumer product of the type that is typically marketed to minors;
- e. Featuring symbols or celebrities that are commonly used to market products to minors;
- f. Featuring images of minors; or
- g. Featuring words that refer to products that are commonly associated with minors or marketed by minors.

3. Packaging of Multiple Servings.

- a. Packaging for marijuana products sold or displayed for consumers in multiple servings shall include the following statement on the exterior of the package in a printed font that is no smaller than 10-point Times New Roman, Helvetica or Arial, including capitalization: “INCLUDES MULTIPLE SERVINGS.”
- b. Packaging for marijuana products in solid form sold or displayed for consumers in multiple servings shall allow a consumer to easily perform the division into single servings.

- i. Edible Marijuana Products in a solid form shall be easily and permanently scored to identify individual servings.
 - ii. Notwithstanding clause (i) of this paragraph, where a product is unable because of its form to be easily and permanently scored to identify individual servings, the product shall be packaged in a single serving size. The determination of whether a product is able to be easily and permanently scored shall be decided by the Commission consistent with sub-regulatory guidelines established by the Commission and provided to licensees.
 - c. Packaging for marijuana product beverages shall be packages solely in a single serving size. Multiple serving marijuana product beverages are strictly prohibited for sale.
- 4. Each single serving of an Edible MIP contained in a multiple-serving package shall be marked, stamped or otherwise imprinted with a symbol or easily recognizable mark issued by the Commission that indicates that the single serving is a Marijuana Product.
- 5. Serving size shall be determined by the processor but in no instance shall an individual serving size of any MARIJUANA PRODUCT contain more than five (5) milligrams of delta-nine-tetrahydrocannabinol (Δ 9-THC).

(G) Packaging and Labeling Pre-Approval.

Prior to a Marijuana Product being sold at a Marijuana Establishment, a licensee or license applicant may submit an application, in a form and manner determined by the Commission, for packaging and label approval to the Commission. The Commission may charge a fee for packaging and labeling pre-approval. The Commission shall issue guidelines on the pre-approval review process, provided, however, that the packaging and labeling pre-approval process shall in no way substitute for compliance with the regulations set forth in 935 CMR 500.105(D)-(F).

(H) Inventory

(1) A Marijuana Establishment must limit its inventory of seeds, plants, and usable marijuana to reflect the projected needs of consumers in its market area.

(2) Real-time inventory shall be maintained as specified by the Commission and in 935 CMR 500.105(H)(3) and (4), including, at a minimum, an inventory of marijuana plants; marijuana plant-clones in any phase of development such as propagation, vegetation, and flowering; marijuana ready for dispensing; all Marijuana products; and all damaged, defective, expired, or contaminated marijuana and Marijuana products awaiting disposal.

(3) A Marijuana Establishment shall:

- (a) Establish inventory controls and procedures for the conduct of inventory reviews, and comprehensive inventories of marijuana and Marijuana products in the process of cultivation, and finished, stored marijuana;
 - (b) Conduct a monthly inventory of marijuana in the process of cultivation and finished, stored marijuana;
 - (c) Conduct a comprehensive annual inventory at least once every year after the date of the previous comprehensive inventory; and
 - (d) Promptly transcribe inventories if taken by use of an oral recording device.
- (4) The record of each inventory shall include, at a minimum, the date of the inventory, a summary of the inventory findings, and the names, signatures, and titles of the individuals who conducted the inventory.
- (5) A Marijuana Establishment shall tag and track all marijuana seeds, plants, and marijuana products, using a seed-to-sale methodology in a form and manner to be approved by the Commission.
- (6) A Marijuana Establishment that is cultivating, processing or selling marijuana and marijuana products for medical use as well as marijuana and marijuana products for adult use must create virtual separation of the products through tracking methodology approved by the Commission under 935 CMR 500.
- (I) Record Keeping. Records of a Marijuana Establishment must be available for inspection by the Commission, upon request. The records of a Marijuana Establishment shall be maintained in accordance with generally accepted accounting principles. Written records that are required and are subject to inspection include but are not necessarily limited to all records required in any section of 935 CMR 500.000, in addition to the following:
- (1) Written operating procedures as required by 935 CMR 500.105(A);
 - (2) Inventory records as required by 935 CMR 500.105(H);
 - (3) Seed-to-sale tracking records for all marijuana and marijuana products as required by 935 CMR 500.105(H)(5);
 - (4) The following personnel records:
 - (a) Job descriptions for each employee and volunteer position, as well as organizational charts consistent with the job descriptions;
 - (b) A personnel record for each Marijuana Establishment Agent. Such records shall be maintained for at least 12 months after termination of the individual's affiliation with the Marijuana Establishment and shall include, at a minimum, the following:
 - (i) All materials submitted to the Commission pursuant to 935 CMR 500.030(B);
 - (ii) Documentation of verification of references;

- (iii) The job description or employment contract that includes duties, authority, responsibilities, qualifications, and supervision;
- (iv) Documentation of all required training, including training regarding privacy and confidentiality requirements, and the signed statement of the individual indicating the date, time, and place he or she received said training and the topics discussed, including the name and title of presenters;
- (v) A copy of the application that the Marijuana Establishment submitted to the Commission on behalf of any prospective Marijuana Establishment Agent;
- (vi) Documentation of periodic performance evaluations; and
- (vii) A record of any disciplinary action taken.
- (vii) Notice of completed responsible vendor and 8-hour related duty training.

- (c) A staffing plan that will demonstrate accessible business hours and safe cultivation conditions;
- (d) Personnel policies and procedures; and
- (e) All background check reports obtained in accordance with 935 CMR 500.030;

(5) Business records, which shall include manual or computerized records of:

- (a) Assets and liabilities;
- (b) Monetary transactions;
- (c) Books of accounts, which shall include journals, ledgers, and supporting documents, agreements, checks, invoices, and vouchers;
- (d) Sales records that indicate the name of the registered qualifying patient or personal caregiver to whom marijuana has been dispensed, including the quantity, form, and cost; and
- (e) Salary and wages paid to each employee, stipend paid to each board member, and any executive compensation, bonus, benefit, or item of value paid to any individual affiliated with a Marijuana Establishment, including members of the non-profit corporation, if any.

(6) Waste disposal records as required under 935 CMR 500.105(L); and

(7) Following closure of a Marijuana Establishment, all records must be kept for at least 2 years at the expense of the Marijuana Establishment and in a form and location acceptable to the Commission.

(J) Liability Insurance Coverage or Maintenance of Escrow

- (1) A Marijuana Establishment shall obtain and maintain general liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, and product liability insurance coverage for no less than \$1,000,000 per occurrence and \$2,000,000 in aggregate, annually, except as provided in 935 CMR 500.105(J)(2) or otherwise approved by the Commission. The deductible for each policy

shall be no higher than \$5,000 per occurrence.

(2) A Marijuana Establishment that documents an inability to obtain minimum liability insurance coverage as required by 935 CMR 500.105(J)(1) may place in escrow a sum of no less than \$250,000 or such other amount approved by the Commission, to be expended for coverage of liabilities.

(3) The escrow account required pursuant to 935 CMR 500.105(J)(2) must be replenished within 10 business days of any expenditure.

(4) Reports documenting compliance with 935 CMR 500.105(J) shall be made in a manner and form determined by the Commission pursuant to 935 CMR 500.

(K) Storage Requirements

(1) A Marijuana Establishment shall provide adequate lighting, ventilation, temperature, humidity, space, and equipment, in accordance with applicable provisions of 935 CMR 500.105 and 500.110.

(2) A RMD shall have separate areas for storage of marijuana that is outdated, damaged, deteriorated, mislabeled, or contaminated, or whose containers or packaging have been opened or breached, until such products are destroyed.

(3) RMD storage areas shall be maintained in a clean and orderly condition.

(4) RMD storage areas shall be free from infestation by insects, rodents, birds, and pests of any kind.

(5) RMD storage areas shall be maintained in accordance with the security requirements of 935 CMR 500.110.

(L) Waste Disposal

(1) All waste, including waste composed of or containing finished marijuana and Marijuana products, shall be stored, secured, and managed in accordance with applicable state and local statutes, ordinances, and regulations.

(2) Liquid waste containing marijuana or by-products of marijuana processing shall be disposed of in compliance with requirements for discharge into surface water (314 CMR 3.00), groundwater (314 CMR 5.00), and sewers (314 CMR 7.00), or disposed of in an industrial wastewater holding tank in accordance with 314 CMR 18.00.

(3) Solid waste generated at a Marijuana Establishment shall be disposed of as follows:

- (a) Incineration in a commercial or municipal waste combustor in Massachusetts holding a valid permit issued by the Commission of Environmental Protection (DEP). No fewer than two Marijuana Establishment Agents must witness and document destruction; or
- (b) Disposal in a landfill holding a valid permit issued by the DEP or by the appropriate state agency in the state in which the facility is located. No fewer than two Marijuana Establishment Agents must witness and document disposal in the landfill;
- (c) Recycled in a manner approved by the Commission; or
- (d) Grinding and incorporating the marijuana waste with solid wastes such that the resulting mixture renders the marijuana waste unusable. Once such marijuana waste has been rendered unusable, it may be:
 - (i) Disposed of in a solid waste management facility that holds a valid permit issued by the DEP or by the appropriate state agency in the state in which the facility is located; or
 - (ii) If the material mixed with the medical marijuana waste is organic material as defined in 310 CMR 16.02, the mixture may be composted at an operation that is in compliance with the requirements of 310 CMR 16.00.
- (4) When marijuana or Marijuana products are disposed of, the Marijuana Establishment must create and maintain a written record of the date, the type and quantity disposed of, the manner of disposal, and the persons present during the disposal, with their signatures. Marijuana Establishments shall keep disposal records for at least two years.

(M) Transportation Between Marijuana Establishments

(1) General Requirements

- (a) A licensed Marijuana Establishment shall, as an element of its license, be licensed to transport its own Marijuana and Marijuana Products to other licensed Marijuana Establishments, except as otherwise provided herein.
- (b) Marijuana and Marijuana Products may only be transported between licensed Marijuana Establishments by registered Marijuana Establishment Agents.
- (c) A licensed Marijuana Transporter may contract with a licensed Marijuana Establishment to transport that licensee's Marijuana and marijuana products to other licensed Marijuana Establishments.
- (d) The originating and receiving licensed Marijuana Establishments shall ensure that all transported Marijuana and Marijuana Products are linked to the seed-to-sale tracking program.
- (e) Any Marijuana or marijuana product that is undeliverable or is refused by the destination Marijuana Establishment shall be transported back to the originating Marijuana Establishment.

- (f) All vehicles transporting Marijuana and Marijuana Products shall be staffed with a minimum of two Marijuana Establishment Agents. At least one Marijuana Establishment Agent shall remain with the vehicle at all times that the vehicle contains Marijuana or Marijuana Products.
- (g) Prior to leaving a Marijuana Establishment for the purpose of transporting Marijuana or Marijuana Products, the originating Marijuana Establishment must weigh, inventory, and account for, on video, all Marijuana and Marijuana Products to be transported.
- (h) Within eight hours after arrival at the destination Marijuana Establishment, the destination Marijuana Establishment must re-weigh, re-inventory, and account for, on video, all marijuana and Marijuana Products transported.
- (i) When videotaping the weighing, inventorying, and accounting of Marijuana or Marijuana Products before transportation or after receipt, the video must show each product being weighed, the weight, and the manifest.
- (j) Marijuana and Marijuana Products must be packaged in sealed, labeled, and tamper-proof packaging prior to and during transportation.
- (k) In the case of an emergency stop during the transportation of Marijuana or Marijuana Products, a log must be maintained describing the reason for the stop, the duration, the location, and any activities of personnel exiting the vehicle.
- (l) A Marijuana Establishment or a Marijuana Transporter transporting Marijuana or Marijuana Products shall ensure that all delivery times and routes are randomized.
- (m) A Marijuana Establishment or a Marijuana Transporter transporting Marijuana or Marijuana Products shall ensure that all delivery routes remain within the Commonwealth of Massachusetts.

(2) Reporting Requirements

- (a) Marijuana Establishment Agents must document and report any unusual discrepancy in weight or inventory to the Commission and local law enforcement within 24 hours of the discovery of such a discrepancy.
- (b) Marijuana Establishment Agents shall report to the Commission and local law enforcement any vehicle accidents, diversions, losses, or other reportable incidents that occur during transport, within 24 hours of such accidents, diversions, losses, or other reportable incidents.

(3) Vehicles

- (a) A vehicle used for transporting Marijuana or Marijuana Products must be:
 - (i) owned by the Marijuana Establishment or the Marijuana Transporter;
 - (ii) properly registered, inspected, and insured in the Commonwealth of Massachusetts (documentation of such status shall be maintained as records of the Marijuana Establishment or the Marijuana Transporter, and shall be made available to the Commission upon request);
 - (iii) equipped with an alarm system approved by the Commission; and
 - (iv) equipped with functioning heating and air conditioning systems appropriate for maintaining correct temperatures for storage of Marijuana and Marijuana Products.
- (b) Marijuana and Marijuana Products must not be visible from outside the vehicle.
- (c) Any vehicle used to transport Marijuana and Marijuana Products shall not bear any markings indicating that the vehicle is being used to transport Marijuana or Marijuana Products, and any such vehicle shall not indicate the name of the Marijuana Establishment or the Marijuana Transporter.
- (d) When transporting marijuana or Marijuana Products, no other products may be transported or stored in the same vehicle.
- (e) No firearms may be located within the vehicle or on a Marijuana Establishment Agent.

(4) Storage Requirements

- (a) Marijuana and Marijuana Products must be transported in a secure, locked storage compartment that is a part of the vehicle transporting the Marijuana or Marijuana Products.
- (b) The storage compartment must be sufficiently secure that it cannot be easily removed.
- (c) If a Marijuana Establishment, pursuant to a Marijuana Transporter License, or a Marijuana Transporter is transporting Marijuana or Marijuana Products for more than one Marijuana Establishment at a time, the Marijuana or Marijuana Products for each Marijuana Establishment shall be kept in a separate locked storage compartment during transportation and separate manifests shall be maintained for each Marijuana Establishment.

(5) Communications

- (a) Any vehicle used to transport Marijuana or Marijuana Products shall contain a global positioning system (GPS) monitoring device that is:
 - (i) not a mobile device that is easily removable; attached to the vehicle at all times

that the vehicle contains Marijuana or Marijuana Products;
(ii) monitored by the Marijuana Establishment or Marijuana Transporter during transport of Marijuana or Marijuana Products; and
(iii) inspected by the Commission prior to initial transportation of Marijuana or Marijuana Products, and after any alteration to the locked storage compartment.

- (b) Each Marijuana Establishment Agent transporting Marijuana and Marijuana Products shall have access to a secure form of communication with personnel at the originating location at all times that the vehicle contains Marijuana and Marijuana Products.
- (c) Secure types of communication include, but are not limited to:
 - (i) two-way digital or analog radio (UHF or VHF);
 - (ii) cellular phone; and
 - (iii) satellite phone.
- (d) When choosing a type of secure communications, the following shall be taken into consideration:
 - (i) cellular signal coverage;
 - (ii) transportation area;
 - (iii) base capabilities;
 - (iv) antenna coverage; and
 - (v) frequency of transportation.
- (e) Prior to, and immediately after leaving the originating location, the Marijuana Establishment Agents shall use the secure form of communication to contact the originating location to test communications and GPS operability.
- (f) If communications or the GPS system fail while on route to a delivery, the Marijuana Establishment Agents transporting Marijuana or Marijuana Products must return to the originating location until the communication system or GPS system is operational.
- (g) The Marijuana Establishment Agents transporting marijuana or Marijuana Products shall contact the originating location when stopping at and leaving any scheduled location, and regularly throughout the trip, at least every 30 minutes.
- (h) The originating location must have a Marijuana Establishment Agent assigned to monitoring the GPS unit and secure form of communication, who must log all official communications with Marijuana Establishment Agents transporting marijuana or Marijuana Products.

(6) Manifests

- (a) A manifest shall be filled out in triplicate, with the original manifest remaining with the

originating Marijuana Establishment, a second copy provide to the destination Marijuana Establishment upon arrival, and a copy to be kept with the licensed Marijuana Establishment Agent during transportation and returned to the Marijuana Establishment or Marijuana Transporter upon completion of the delivery.

- (b) Prior to transport, the manifest shall be securely transmitted to the destination Marijuana Establishment by facsimile or email.
- (c) Upon arrival at the destination Marijuana Establishment, a Marijuana Establishment Agent at the destination Marijuana Establishment shall compare the manifest produced by the agents who transported the Marijuana or Marijuana Products to the copy transmitted by facsimile or email. This manifest must, at a minimum, include;
 - (i) The originating Marijuana Establishment name, address, and registration number;
 - (ii) the names and registration numbers of the agents who transported the marijuana or Marijuana Products;
 - (iii) the name and registration number of the Marijuana Establishment Agent who prepared the manifest;
 - (iv) the destination Marijuana Establishment name, address, and registration number;
 - (v) a description of the marijuana or Marijuana Products being transported, including the weight and form or type of product;
 - (vi) the mileage of the transporting vehicle at departure from originating Marijuana Establishment and mileage upon arrival at destination Marijuana Establishment, as well as mileage upon return to originating Marijuana Establishment;
 - (vii) the date and time of departure from originating Marijuana Establishment and arrival at destination Marijuana Establishment for each delivery;
 - (viii) signature lines for the agents who transported the Marijuana or Marijuana Products;
 - (ix) a signature line for the Marijuana Establishment Agent who receives the marijuana or Marijuana Products;
 - (x) the weight and inventory before departure and upon receipt;
 - (xi) the date and time that the delivered products were re-weighed and re-inventoried;
 - (xii) the name of the Marijuana Establishment Agent at the destination Marijuana Establishment who re-weighed and re-inventoried products; and
 - (xiii) the vehicle make, model, and license plate number.
- (d) The manifest shall be maintained within the vehicle during the entire transportation process, until the delivery is completed.
- (e) A Marijuana Establishment shall retain all transportation manifests for no less than one year and make them available to the Commission upon request.

(7) Requirements for Agents

- (a) Each employee or agent transporting or otherwise handling marijuana products for a Marijuana Transporter must be registered as a Marijuana Establishment Agent and have a driver's license in good standing issued by the Massachusetts Registry of Motor Vehicles for all classes of vehicle the Marijuana Establishment Agent will operate for the Marijuana Transporter prior to transporting or otherwise handling marijuana or marijuana products.
- (b) A Marijuana Establishment Agent shall carry his or her registration card at all times when transporting marijuana or marijuana products, and shall produce his or her registration card to the Commission or law enforcement officials upon request.

- (8) Marijuana Transporters shall use best management practices to reduce energy and water usage, engage in energy conservation and mitigate other environmental impacts.

(N) Delivery of Marijuana and Marijuana Products to Consumers

(1) General Requirements

- (a) A Marijuana Delivery License is a necessary prerequisite for the delivery of Marijuana and Marijuana Products to consumers by licensed Marijuana Establishments.
- (b) All individuals transporting Marijuana and Marijuana Products to consumers must have a Marijuana Establishment Agent registration.
- (c) Delivery is limited to the Commonwealth of Massachusetts, but is not restricted to any geographic location within the Commonwealth.
- (d) For home delivery, each order must be packaged and labeled according to the regulations governing final Marijuana and Marijuana Products at the originating location prior to transportation to the consumer. For example, packaging and labeling requirements for products sold at Marijuana Retailers shall apply to all products sold to consumers via home delivery by Marijuana Retailers.
- (e) Any Marijuana or Marijuana Product that is undeliverable or is refused by the consumer shall be transported back to the originating Marijuana Establishment.
- (f) In the event of simultaneous delivery of medical marijuana products and adult use cannabis and marijuana products, the delivery vehicle shall maintain two clearly labeled lock boxes to separate the products physically.
- (g) The maximum retail value of any home delivery shall be \$3,000.00, although multiple orders of different Marijuana and Marijuana Products may be included within that maximum value.

- (h) A Marijuana Establishment that has a Marijuana Delivery License may only deliver Marijuana and Marijuana Products to a residence, which means a dwelling such as a house, condominium, or apartment, but does not include a dormitory, hotel, motel, bed and breakfast, or other similar commercial dwelling.
 - (i) Home deliveries can only be made during the hours of operation of the Marijuana Establishment that has a Marijuana Delivery license, and the Marijuana Establishment must maintain coverage by Marijuana Establishment Agents at the Marijuana Establishment until the Marijuana Establishment Agents return the manifest and any undelivered products.
 - (j) A Marijuana Establishment or a Marijuana Transporter transporting Marijuana or Marijuana Products shall ensure that all delivery routes remain within the Commonwealth of Massachusetts.
- (2) Consumer Verification
- (a) A home delivery order from a consumer must include the consumer's name, address, date of birth, the requested date of delivery, and the specific Marijuana or Marijuana Products requested.
 - (b) Before home delivery to any consumer, the consumer must produce proof of identity, residence, and age, and the consumer must sign the manifest to confirm the receipt of marijuana or Marijuana Products.
- (3) Transportation Requirements for Home Delivery
- (a) All vehicles transporting Marijuana and Marijuana Products for home delivery shall be staffed with a minimum of two Marijuana Establishment Agents. At least one Marijuana Establishment Agent shall remain with the vehicle at all times that the vehicle contains Marijuana or Marijuana Products.
 - (b) Marijuana and Marijuana Products must be packaged in sealed, labeled, and tamper-proof packaging prior to and during transportation, subject to the same requirements for Marijuana and Marijuana Products before transfer to another Marijuana Establishment.
 - (c) In the case of an emergency stop during the transportation of Marijuana or Marijuana Products, a log must be maintained describing the reason for the stop, the duration, the location, and any activities of personnel exiting the vehicle.
 - (d) A Marijuana Establishment transporting Marijuana or Marijuana Products for home delivery shall ensure that all delivery times and routes are randomized.
- (4) Reporting Requirements
- (a) Marijuana Establishment Agents must document and report any unusual discrepancy in weight or inventory to the Commission and local law

enforcement within 24 hours of the discovery of such a discrepancy.

- (b) Marijuana Establishment Agents shall report to the Commission and local law enforcement any vehicle accidents, diversions, losses, or other reportable incidents that occur during transport, within 24 hours of such accidents, diversions, losses, or other reportable incidents.

(5) Vehicles

- (a) A vehicle used for transporting Marijuana or Marijuana Products must be:
 - (i) owned by the Marijuana Establishment;
 - (ii) properly registered, inspected, and insured in the Commonwealth of Massachusetts (documentation of such status shall be maintained as records of the Marijuana Establishment, and shall be made available to the Commission upon request);
 - (iii) equipped with an alarm system approved by the Commission; and
 - (iv) equipped with functioning heating and air conditioning systems appropriate for maintaining correct temperatures for storage of Marijuana and Marijuana Products.
- (b) Marijuana and Marijuana Products must not be visible from outside the vehicle.
- (c) Any vehicle used to transport Marijuana and Marijuana Products shall not bear any markings indicating that the vehicle is being used to transport Marijuana or Marijuana Products, and any such vehicle shall not indicate the name of the Marijuana Establishment.
- (d) When transporting marijuana or Marijuana Products, no other products may be transported or stored in the same vehicle.
- (e) No firearms may be located within the vehicle or on a Marijuana Establishment Agent.

(6) Storage Requirements

- (a) Marijuana and Marijuana Products must be transported in a secure, locked storage compartment that is a part of the vehicle transporting the Marijuana or Marijuana Products.
- (b) The storage compartment must be sufficiently secure that it cannot be easily removed.

(7) Communications/Tracking

- (a) Any vehicle used to transport Marijuana or Marijuana Products shall contain a global positioning system (GPS) monitoring device that is:

- (i) not a mobile device that is easily removable;
 - (ii) attached to the vehicle at all times that the vehicle contains Marijuana or Marijuana Products;
 - (iii) monitored by the Marijuana Establishment during transport of Marijuana or Marijuana Products; and
 - (iv) inspected by the Commission prior to initial transportation of Marijuana or Marijuana Products, and after any alteration to the locked storage compartment.
- (b) Each Marijuana Establishment Agent transporting Marijuana and Marijuana Products shall have access to a secure form of communication with personnel at the Marijuana Establishment at all times that the vehicle contains Marijuana and Marijuana Products.
- (c) Secure types of communication include, but are not limited to:
- (i) two-way digital or analog radio (UHF or VHF);
 - (ii) cellular phone; and
 - (iii) satellite phone.
- (d) When choosing a type of secure communications, the following shall be taken into consideration:
- (i) cellular signal coverage;
 - (ii) transportation area;
 - (iii) base capabilities;
 - (iv) antenna coverage; and
 - (v) frequency of transportation.
- (e) Prior to, and immediately after leaving the originating location, the Marijuana Establishment Agents shall use the secure form of communication to contact the Marijuana Establishment to test communications and GPS operability.
- (f) If communications or the GPS system fail while on route to a delivery, the Marijuana Establishment Agents transporting Marijuana or Marijuana Products must return to the Marijuana Establishment until the communication system or GPS system is operational.
- (g) The Marijuana Establishment Agents transporting marijuana or Marijuana Products shall contact the Marijuana Establishment when stopping at and leaving any scheduled location, and regularly throughout the trip, at least every 30 minutes.
- (h) The Marijuana Establishment must have a Marijuana Establishment Agent assigned to monitoring the GPS unit and secure form of communication, who must log all official communications with Marijuana Establishment Agents transporting marijuana or

Marijuana Products.

(8) Manifests

(a) A manifest shall be filled out in duplicate, with the original manifest remaining with the originating Marijuana Establishment, and a copy to be kept with the Marijuana Establishment Agent during transportation and returned to the Marijuana Establishment upon completion of the delivery.

(b) This manifest must, at a minimum, include;

- (i) originating Marijuana Establishment name, address, and registration number;
- (ii) the names and registration numbers of the agents who transported the marijuana or Marijuana Products;
- (iii) the name and registration number of the Marijuana Establishment Agent who prepared the manifest;
- (iv) the consumer's name and address;
- (v) a description of the marijuana or Marijuana Products being transported, including the weight and form or type of product;
- (vi) the mileage of the transporting vehicle at departure from the Marijuana Establishment, mileage upon arrival at each consumer destination, and mileage upon return to the Marijuana Establishment;
- (vii) the date and time of departure from the Marijuana Establishment and arrival at each consumer destination for each delivery;
- (viii) signature lines for the agents who transported the Marijuana or MARIJUANA PRODUCTS;
- (ix) a signature line for consumer who receives the marijuana or Marijuana Products; and
- (x) the vehicle make, model, and license plate number.

(c) The manifest shall be maintained within the vehicle during the entire transportation process, until all the deliveries are completed.

(d) A Marijuana Establishment shall retain all transportation manifests for no less than one year and make them available to the Commission upon request.

(9) Requirements for Agents

(a) Each employee or agent transporting or otherwise handling marijuana products for a Marijuana Delivery Operator must be registered as a Marijuana Establishment Agent and have a driver's license in good standing issued by the Massachusetts Registry of Motor Vehicles for all classes of vehicle the Marijuana Establishment Agent will operate for the Marijuana Delivery Operator prior to transporting or otherwise handling marijuana or marijuana products.

(b) A Marijuana Establishment Agent shall carry his or her registration card at all times when transporting marijuana or marijuana products, and shall produce his or her registration card to the Commission or law enforcement officials upon request.

(10) Marijuana Transporters shall use best management practices to reduce energy and water usage, engage in energy conservation and mitigate other environmental impacts.

(O) Access to the Commission, Emergency Responders and Law Enforcement

(1) The following individuals shall have access to a Marijuana Establishment or Marijuana Establishment transportation vehicle:

(a) Representatives of the Commission in the course of responsibilities authorized by 935 CMR 500.000 or the Act;

(b) Representatives of other state agencies of the Commonwealth of Massachusetts acting within their jurisdiction; and

(b) Emergency responders in the course of responding to an emergency.

(2) This regulation shall not be construed to prohibit access to authorized law enforcement personnel or local public health, inspectional services, or other permit-granting agents acting within their lawful jurisdiction.

(P) Bond

(1) Prior to commencing operations, a Marijuana Establishment shall provide proof of having obtained a surety bond in an amount equal to its licensure fee payable to the Marijuana Regulation Fund to ensure payment of the cost incurred for the destruction of cannabis goods necessitated by a violation of the Act or 935 CMR 500.000 or the cessation of operation of the Marijuana Establishment.

(2) All bonds required under this regulation must be issued by a corporate surety licensed to transact surety business in the Commonwealth of Massachusetts.

(3) If the Marijuana Establishment is unable to secure a surety bond, as required by 935 CMR 500.105(P) may place in escrow a sum of no less than \$250,000 or such other

amount approved by the Commission, to be expended for coverage of liabilities.

- (4) The escrow account required pursuant to 935 CMR 500.105(P)(3) must be replenished within 10 business days of any expenditure required under this section, except if the Marijuana Establishment has ceased operations. Documentation of the replenishment must be promptly sent to the Commission.

(Q) Social Equity Program

(1) There shall be a Social Equity Program established by the Commission to provide training and technical assistance to eligible applicants and licensees which may include, but shall not be limited to:

- (a) Management, recruitment and employee trainings;
- (b) Accounting and sales forecasting;
- (c) Tax prediction and compliance;
- (d) Legal compliance;
- (e) Business plan creation and operational development;
- (f) Marijuana industry best practices; and
- (g) Assistance with identifying or raising funds or capital.

(2) Eligibility for the Social Equity Program shall be met if applicants or licensees satisfy one or more of the following criteria:

- (a) Residency in an area of disproportionate impact, as defined by the Commission, for at least 5 of the preceding 10 years, as established by:
 1. A Massachusetts driver's record or Massachusetts ID card record;
 2. A signed lease agreement that includes the subject's name;
 3. Residential property deed that includes the subject's name;
 4. School records;
 5. Housing authority records;
 6. Banking records;
 7. Utility bills; or
 8. Dated notices or correspondence from a local or state government entity that includes the subject's name.
- vi. Residency in Massachusetts for at least the preceding 12 months and a conviction for 94C offense under chapter 94C of the General Laws or an equivalent conviction in another jurisdiction; or
- vii. Residency in Massachusetts for at least the preceding 12 months and proof that the individual was either married to or the child of an individual convicted under chapter 94C of the General Laws or an equivalent conviction in another jurisdiction.

500.110: Security Requirements for Marijuana Establishments

- (A) General Requirements. A Marijuana Establishment shall implement sufficient safety measures to deter and prevent unauthorized entrance into areas containing marijuana and theft of marijuana at the Marijuana Establishment. Security measures taken by the

licensee to protect the premises, employees, consumers and general public shall include, but not be limited to, the following:

- (1) Positively identifying individuals seeking access to the premises of the Marijuana Establishment or to whom Marijuana or Marijuana Products are being delivered pursuant to 935 CMR 500.105(N) to limit access solely to individuals 21 years of age or older;
- (2) Adopting procedures to prevent loitering and ensure that only individuals engaging in activity expressly or by necessary implication permitted by these regulations and its enabling statute are allowed to remain on the premises;
- (3) Disposing of marijuana in accordance with 935 CMR 500.105(L) in excess of the quantity required for normal, efficient operation as established within 935 CMR 500.105;
- (4) Securing all entrances to the Marijuana Establishment to prevent unauthorized access;
- (5) Establishing Limited Access Areas pursuant to 935 CMR 500.110(D), which shall be accessible only to specifically authorized personnel limited to include only the minimum number of employees essential for efficient operation;
- (6) Storing all finished marijuana or marijuana products in a secure, locked safe or vault in such a manner as to prevent diversion, theft and loss;
- (7) Keeping all safes, vaults, and any other equipment or areas used for the production, cultivation, harvesting, processing or storage of marijuana and marijuana infused products securely locked and protected from entry, except for the actual time required to remove or replace marijuana;
- (8) Keeping all locks and security equipment in good working order;
- (9) Prohibiting keys, if any, from being left in the locks or stored or placed in a location accessible to persons other than specifically authorized personnel;
- (10) Prohibiting accessibility of security measures, such as combination numbers, passwords or electronic or biometric security systems, to persons other than specifically authorized personnel;
- (11) Ensuring that the outside perimeter of the Marijuana Establishment is sufficiently lit to facilitate surveillance, where applicable;
- (12) Ensuring that all marijuana or marijuana products are kept out of plain sight and are not visible from outside the Marijuana Establishment without the use of binoculars, optical aids or aircraft;
- (13) Developing emergency policies and procedures for securing all product following any instance of diversion, theft or loss of marijuana, and conduct an assessment to determine whether additional safeguards are necessary;
- (14) Developing sufficient additional safeguards as required by the Commission for Marijuana Establishments that present special security concerns; and
Sharing the Marijuana Establishment's security plan and procedures with local law enforcement and fire services and periodically updating local law

enforcement and fire services if the plans or procedures are modified in a material way.

- (B) Alternate Security Provisions. Notwithstanding the requirements specified in 935 CMR 500.110(A), (E) and (F), if a Marijuana Establishment has provided other, specific safeguards that may be regarded as an adequate substitute for those requirements, such measures may be taken into account by the Commission in evaluating the overall required security measures.
- (C) Buffer Zone. A Marijuana Establishment shall comply with all local requirements regarding siting, provided however that if no local requirements exist, then Marijuana Establishment shall not be sited within a radius of 500 feet of a public or private school, daycare center, or any facility in which children commonly congregate. The 500-foot distance under this section shall be measured in a straight line from the nearest point of the facility in question to the nearest point of the proposed Marijuana Establishment.
- (D) Limited Access Areas.
- (1) All limited access areas must be identified by the posting of a sign that shall be a minimum of 12" x 12" and which states: "Do Not Enter—Limited Access Area—Access Limited to Authorized Personnel Only" in lettering no smaller than 1 inch in height.
 - (2) All limited access areas shall be clearly described by the filing of a diagram of the registered premises, in the form and manner determined by the Commission, reflecting entrances and exits, walls, partitions, vegetation, flowering, processing, production, storage, disposal and retail sales areas.
 - (3) Access to limited access areas shall be restricted to employees, agents or volunteers specifically permitted by the Marijuana Establishment, agents of the Commission, state and local law enforcement acting within their lawful jurisdiction and emergency personnel acting within their official capacity.
 - (4) Employees of the Marijuana Establishment shall visibly display an employee identification badge issued by the Marijuana Establishment at all times while at the Marijuana Establishment or transporting marijuana.
 - (5) All outside vendors, contractors and visitors shall obtain a visitor identification badge prior to entering a limited access area, and shall be escorted at all times by a Marijuana Establishment Agent authorized to enter the limited access area. The visitor identification badge shall be visibly displayed at all times while the visitor is in any limited access area. All visitors must be logged in and out and that log shall be available for inspection by the Commission at all times. All visitor identification badges shall be returned to the Marijuana Establishment upon exit.

(E) Security and Alarm Requirements for Marijuana Establishments Operating Enclosed Areas

- (1) A Marijuana Establishment located, in whole or in part, in a building, greenhouse or other enclosed area shall have an adequate security system to prevent and detect diversion, theft or loss of marijuana or unauthorized intrusion, utilizing commercial grade equipment which shall, at a minimum, include:
- a. A perimeter alarm on all building entry and exit points and perimeter windows, if any;
 - b. A failure notification system that provides an audible, text or visual notification of any failure in the surveillance system. The failure notification system shall provide an alert to designated employees of the Marijuana Establishment within five (5) minutes after the failure, either by telephone, email or text message;
 - c. A duress alarm, panic alarm or hold-up alarm connected to local public safety or law enforcement authorities;
 - d. Video cameras in all areas that may contain marijuana, at all points of entry and exit and in any parking lot which shall be appropriate for the normal lighting conditions of the area under surveillance. The cameras shall be directed at all safes, vaults, sales areas and areas where marijuana is cultivated, harvested, processed, prepared, stored, handled or dispensed. Cameras shall be angled so as to allow for the capture of clear and certain identification of any person entering or exiting the Marijuana Establishment or area;
 - e. Twenty-four hour recordings from all video cameras that are available immediate viewing by the Commission upon request and that are retained for at least 90 calendar days. Recordings shall not be destroyed or altered, and shall be retained as long as necessary if the Marijuana Establishment is aware of a pending criminal, civil or administrative investigation or legal proceeding for which the recording may contain relevant information;
 - f. The ability to immediately produce a clear, color still photo whether live or recorded;
 - g. A date and time stamp embedded in all recordings, which shall be synchronized and set correctly at all times and shall not significantly obscure the picture;
 - h. The ability to remain operational during a power outage; and
 - i. A video recording that allows for the exporting of still images in an industry standard image format, including .jpg, .bmp and .gif. Exported video shall have the ability to be archived in a proprietary format that ensures authentication of the video and guarantees that no alteration of the recorded image has taken place. Exported video shall also have the ability to be saved in an industry standard file format that may be played on a standard computer operating system. All recordings shall be erased or destroyed prior to disposal.

- (2) All security system equipment and recordings shall be maintained in a secure location so as to prevent theft, loss, destruction and alterations.
- (3) In addition to the requirements listed in 935 CMR 500.110(E)(1) and (2), the Marijuana Establishment shall have a back-up alarm system, with all the capabilities of the primary system, provided by a company supplying commercial grade equipment, which shall not be the same company supplying the primary security system, or shall demonstrate to the Commission's satisfaction alternate safeguards to ensure continuous operation of a security system.
- (4) Access to surveillance areas shall be limited to persons that are essential to surveillance operations, law enforcement authorities acting within their lawful jurisdiction, security system service personnel and the Commission. A current list of authorized employees and service personnel that have access to the surveillance room must be available to the Commission upon request. If the surveillance room is on-site of the Marijuana Establishment it shall remain locked and shall not be used for any other function.
- (5) All security equipment shall be in good working order and shall be inspected and tested at regular intervals, not to exceed 30 calendar days from the previous inspection and test.
- (6) Trees, bushes and other foliage outside of the Marijuana Establishment shall be maintained so as to prevent a person or persons from concealing themselves from sight.

(F) Security and Alarm Requirements for Marijuana Establishments Operating an Open Cultivation Facility

- (1) A Marijuana Establishment that is an open cultivation facility shall implement adequate security measures to ensure that outdoor areas are not readily accessible to unauthorized individuals and to prevent and detect diversion, theft or loss of marijuana which shall, at a minimum, include:
 - a. A perimeter security fence designed to prevent unauthorized entry to the cultivation facility with signs notifying observers that it is a Limited Access Area;
 - b. Commercial-grade, non-residential locks;
 - c. A security alarm system that shall:
 - i. Be continuously monitored, whether electronically, by a monitoring company or other means determined to be adequate by the Commission; and
 - ii. Provide an alert to designated employees of the Marijuana Establishment within five (5) minutes after a notification of an alarm or a system failure, either by telephone, email or text message;
 - d. Video cameras at all points of entry and exit and in any parking lot which shall be appropriate for the normal lighting conditions of the area under surveillance. Cameras shall be angled so as to allow for the capture of clear

- and certain identification of any person entering or exiting the Marijuana Establishment or area;
- e. Twenty-four hour recordings from all video cameras that are available immediate viewing by the Commission upon request and that are retained for at least 90 calendar days. Recordings shall not be destroyed or altered, and shall be retained as long as necessary if the Marijuana Establishment is aware of a pending criminal, civil or administrative investigation or legal proceeding for which the recording may contain relevant information;
 - f. The ability to immediately produce a clear, color still photo whether live or recorded;
 - g. A date and time stamp embedded in all recordings, which shall be synchronized and set correctly at all times and shall not significantly obscure the picture;
 - h. The ability to remain operational during a power outage;
 - i. A video recording that allows for the exporting of still images in an industry standard image format, including .jpg, .bmp and .gif. Exported video shall have the ability to be archived in a proprietary format that ensures authentication of the video and guarantees that no alteration of the recorded image has taken place. Exported video shall also have the ability to be saved in an industry standard file format that may be played on a standard computer operating system. All recordings shall be erased or destroyed prior to disposal.
- (2) All security system equipment and recordings shall be maintained in a secure location so as to prevent theft, loss, destruction and alterations.
 - (3) Access to surveillance areas shall be limited to persons that are essential to surveillance operations, law enforcement authorities acting within their lawful jurisdiction, security system service personnel and the Commission. A current list of authorized employees and service personnel that have access to the surveillance room must be available to the Commission upon request. If the surveillance room is on-site of the Marijuana Establishment it shall remain locked and shall not be used for any other function.
 - (4) All security equipment shall be in good working order and shall be inspected and tested at regular intervals, not to exceed 30 calendar days from the previous inspection and test.
 - (5) Security plans and procedures shared with local law enforcement pursuant to 935 CMR 500.110(A)(15) shall include:
 - a. A description of the location and operation of the security system, including the location of the central control on the premises;
 - b. A schematic of security zones;
 - c. The name of the security alarm company and monitoring company, if any;
 - d. A floor plan or layout of the facility in a manner and scope as required by the municipality.

(G) Security Requirements for Licensed Delivery Operations

(1) A Marijuana Establishment holding a license authorizing deliveries pursuant to 935 CMR 500.105(M)-(N) shall implement adequate security measures to ensure that each vehicle used for transportation of Marijuana and Marijuana Products is not readily accessible to unauthorized individuals and to prevent and detect diversion, theft or loss of marijuana. Security measures shall, at a minimum, include for each operational delivery vehicle:

- a. Appropriate staffing including, at a minimum, two Marijuana Establishment Agents, one of whom shall remain with the vehicle at all times that the vehicle contains Marijuana or Marijuana Products pursuant to 935 CMR 500.105(M)-(N);
- b. A vehicle security system that includes an exterior alarm;
- c. A minimum of two secure, locked storage compartments, that are part of the vehicle and not easily removable, for the purpose of segregating Medical Marijuana and Marijuana Products and Adult-Use Marijuana and Marijuana Products and transporting said products;
- d. A means of secure communication between each vehicle and the Marijuana Establishment's dispatching location which shall be monitored at all times that a vehicle is performing a delivery route. Means of communication shall include:
 - i. two-way digital or analog radio (UHF or VHF);
 - ii. cellular phone; or
 - iii. satellite phone.
- e. A global positioning system (GPS) monitoring device shall be:
 - i. Contained within a locked storage compartment with said key to the locked storage compartment maintained at the Marijuana Establishment and not in the vehicle;
 - ii. Attached to the vehicle at all times that the vehicle contains Marijuana or Marijuana Products
 - iii. Monitored by the Marijuana Establishment during transport of Marijuana or Marijuana Products; and
 - iv. Inspected by the Commission prior to initial transportation of Marijuana or MIPs, and after any alteration to the locked storage compartment.
- f. A video system that includes one or more video cameras in the storage area of the vehicle and one or more video cameras in the driver area of the vehicle and which shall remain operational at all times during the entire transportation process and which shall have:
 - i. the ability to produce a clear color still photo whether live or

- recorded; and
 - ii. A date and time stamp embedded in all recordings which shall be synchronized and set correctly at all times and shall not significantly obscure the picture.
 - g. All security equipment on vehicles shall be in good working order and shall be inspected and tested at regular intervals, no to exceed 30 calendar days from the previous inspection and test.
- (2) All Marijuana or Marijuana Products shall be secured in a locked storage compartment required pursuant to 935 CMR 500.110(G)(1)(C) during the duration of transport from the Marijuana Establishment to the verified delivery address. Marijuana or Marijuana Products that are not successfully delivered to an adult twenty-one (21) years of age or older at the verified delivery address shall be returned to the vehicle and stored in the locked storage compartment for transport back to the Marijuana Establishment.
- (3) All Marijuana or Marijuana Products unable to be delivered in accordance with the vehicle manifesto shall be removed from vehicle in a timely manner upon return to the Marijuana Establishment. Marijuana or Marijuana Products shall not be stored in a vehicle overnight.
- (4) Vehicles used for the transport of Marijuana and Marijuana Products shall:
- a. Be locked and secured when not in use;
 - b. Plain in description with no signs, pictures or other markings that identify that the vehicle is used for the transport or Marijuana or Marijuana Products;
 - c. Pursuant to 935 500.110(A)(12), the storage area of a vehicle used to transport Marijuana or Marijuana Products shall be opaque to prevent the viewing of Marijuana or Marijuana Products from outside the vehicle.
- (5) A Marijuana Establishment operating under a retail, delivery-only license shall notify law enforcement immediately and without delay of any breach of security during the course of transportation in accordance with 935 CMR 500.110(H).

(H) Incident Reporting

- (1) A Marijuana Establishment shall notify appropriate law enforcement authorities and the Commission of any breach of security immediately and, in no instance, more than 24 hours following discovery of the breach; provided, however that Marijuana Establishments operating under a retail, delivery-only license pursuant to 935 CMR 500.100(E)(3) shall notify law enforcement immediately and without delay of any breach of security during the course of transportation pursuant to 935 CMR 500.110(G)(4). Notification shall occur, but not be limited to, the following occasions:
- a. Discovery of discrepancies identified during inventory;
 - b. Diversion, theft or loss of any marijuana or marijuana product;
 - c. Any criminal action involving or occurring on or in the Marijuana Establishment premises;

- d. Any suspicious act involving the sale, cultivation, distribution, processing or production of marijuana by any person;
- e. Unauthorized destruction of marijuana;
- f. Any loss or unauthorized alteration of records related to marijuana;
- g. An alarm activation or other event that requires response by public safety personnel or security personnel privately engaged by the Marijuana Establishment;
- h. The failure of any security alarm system due to a loss of electrical power or mechanical malfunction that is expected to last more than eight (8) hours; and
- i. Any other breach of security.

(2) A Marijuana Establishment shall, within 10 calendar days, provide notice to the Commission of any incident described in 935 CMR 500.110(H)(1) by submitting an incident report in the form and manner determined by the Commission which details the circumstances of the event, any corrective action taken, and confirmation that the appropriate law enforcement authorities were notified.

(3) All documentation related to an incident that is reportable pursuant to 935 CMR 500.110 (H)(1) shall be maintained by a Marijuana Establishment for not less than one (1) year or the duration of an open investigation, whichever is longer, and made available to the Commission and law enforcement authorities acting within their lawful jurisdiction upon request.

(I) Security Audits. A Marijuana Establishment must, on an annual basis, obtain at its own expense, a security system audit by a vendor approved by the Commission. A report of such audit must be submitted, in a form and manner determined by the Commission, no later than thirty (30) calendar days after the audit is conducted. If the audit identifies concerns related to the Marijuana Establishment's security system, the Marijuana Establishment must also submit a plan to mitigate those concerns within ten (10) business days of submitting the audit.

500.120: Additional Operational Requirements for Marijuana Cultivators

(A) In addition to the General Operational Requirements for Marijuana Establishments required under 935 CMR 500.105, Marijuana Cultivators shall comply with Additional Operational Requirements required under 935 CMR 500.120.

(B) A marijuana cultivator may cultivate its own marijuana or acquire marijuana from other Marijuana Establishments for the purposes of propagation.

(C) Only a licensed marijuana cultivator is permitted to cultivate marijuana for adult use for sale to Marijuana Establishments, research facilities or consumers.

- (D) All phases of the cultivation, processing and packaging of marijuana by a marijuana cultivator shall take place in a designated area that is not visible from a public place without the use of binoculars, aircraft or other optical aids.
- (E) Application of pesticides shall be performed in compliance with M.G.L. c. 132B and the regulations promulgated at 333 CMR 2.00, *Pesticide Board*. Any testing results indicating noncompliance shall be immediately reported to the Commission, who may refer any such result to the Massachusetts Department of Agriculture.
- (F) A Marijuana Cultivator selling or otherwise transferring marijuana to another Marijuana Establishment shall provide documentation of its compliance, or lack thereof, with the testing requirements of 935 CMR 500.160.
- (G) A Marijuana Cultivator shall comply with the requirements established by the National Fire Protection Association in Chapter 38 of NFPA 1 (2018), as applicable.
- (H) A Marijuana Cultivator may label Marijuana with the word “organic” only if all cultivation is consistent with U.S. Commission of Agriculture organic requirements at 7 CFR Part 205;
- (I) Soil for cultivation shall meet the U.S. Agency for Toxic Substances and Disease Registry’s Environmental Media Evaluation Guidelines for residential soil levels;
- (J) The cultivation process shall use best practices to limit contamination, including but not limited to mold, fungus, bacterial diseases, rot, pests, pesticides not in compliance with 500.120(E) for use on marijuana, mildew, and any other contaminant identified as posing potential harm.
- (K) Any application of plant nutrient to land used for the cultivation of marijuana shall comply with Chapter 262 of the Acts of 2012, as amended by Section 26 of Chapter 118 of the Acts of 2013, and 330 CMR 31.00, *Plant Nutrient Application Requirements For Agricultural Land And Land Not Used For Agricultural Purposes*.
- (L) A marijuana cultivator shall satisfy minimum energy efficiency and equipment standards established by the Commission and meet all applicable environmental laws, regulations, permits and other applicable approvals, including those related to water quality and solid waste disposal, and to use additional best management practices as determined by the working group established under section 78(b) of chapter 55 of the acts of 2017 to reduce energy and water usage, engage in energy conservation and mitigate other environmental impacts. If minimum standards or best management practices are not established by the time of an application for initial licensure, a marijuana cultivator must satisfy such standards or best management practices as a condition of license renewal, in addition to any the terms and conditions of any environmental permit regulating the licensed activity.

(M) In addition to the written operating policies required under 935 CMR 500.105(A), a marijuana cultivator shall maintain written policies and procedures for the cultivation, production or distribution of marijuana, as applicable, which shall include but not be limited to:

(1) Methods for identifying, recording, and reporting diversion, theft, or loss, and for correcting all errors and inaccuracies in inventories in compliance with 935 CMR 105(H);

(2) A procedure for handling voluntary and mandatory recalls of marijuana. Such procedure shall be adequate to deal with recalls due to any action initiated at the request or order of the Commission, and any voluntary action by a Marijuana Establishment to remove defective or potentially defective marijuana from the market, as well as any action undertaken to promote public health and safety;

(3) A procedure for ensuring that any outdated, damaged, deteriorated, mislabeled, or contaminated marijuana is segregated from other marijuana and destroyed. This procedure shall provide for written documentation of the disposition of the marijuana;

(4) Policies and procedures for delivery;

(5) Policies and procedures to reduce energy and water usage, engage in energy conservation and mitigate other environmental impacts;

(6) Policies and procedures for the transfer, acquisition, or sale of marijuana between Marijuana Establishments.

500.130 Additional Operating Requirements for Marijuana Product Manufacturers

(A) In addition to the General Operational Requirements for Marijuana Establishments required under 935 CMR 500.105, Marijuana Product Manufacturers shall comply with Additional Operational Requirements required under 935 CMR 500.130.

(B) Production of edible marijuana products shall take place in compliance with the following:

(1) All edible marijuana products shall be prepared, handled, and stored in compliance with the sanitation requirements in 105 CMR 500.000: *Good Manufacturing Practices for Food*, and with the requirements for food handlers specified in 105 CMR 300.000: *Reportable Diseases, Surveillance, and Isolation and Quarantine Requirements*; and

(2) Any marijuana product that is made to resemble a typical food or beverage product must be packaged and labelled as required by 935 CMR 500.105(F).

(C) A marijuana product manufacturer shall satisfy minimum energy efficiency and equipment standards established by the Commission and meet all applicable environmental laws, regulations, permits and other applicable approvals, including those related to water quality and solid waste disposal, and to use additional best management practices as determined by the working group established under section 78(b) of chapter 55 of the acts of 2017 to reduce energy

and water usage, engage in energy conservation and mitigate other environmental impacts. If minimum standards or best management practices are not established by the time of an application for initial licensure, a marijuana product manufacturer shall satisfy such standards or best management practices as a condition of license renewal, in addition to any the terms and conditions of any environmental permit regulating the licensed activity.

(D) A Marijuana Product Manufacturer selling or otherwise transferring marijuana to another Marijuana Establishment shall provide documentation of its compliance, or lack thereof, with the testing requirements of 935 CMR 500.160.

(E) A marijuana product manufacturer shall comply with the requirements established by the National Fire Protection Association in Chapter 38 of NFPA 1 (2018), as applicable.

(F) In addition to the written operating policies required under 935 CMR 500.105(A), a marijuana product manufacturer shall maintain written policies and procedures for the production or distribution of marijuana and marijuana products, as applicable, which shall include but not be limited to:

(1) Methods for identifying, recording, and reporting diversion, theft, or loss, and for correcting all errors and inaccuracies in inventories in compliance with 935 CMR 500.105(H);

(2) A procedure for handling voluntary and mandatory recalls of marijuana or marijuana products. Such procedure shall be adequate to deal with recalls due to any action initiated at the request or order of the Commission, and any voluntary action by a Marijuana Establishment to remove defective or potentially defective marijuana or marijuana products from the market, as well as any action undertaken to promote public health and safety;

(3) A procedure for ensuring that any outdated, damaged, deteriorated, mislabeled, or contaminated marijuana or marijuana products is segregated from other marijuana or marijuana products and destroyed. This procedure shall provide for written documentation of the disposition of the marijuana or marijuana products;

(4) Policies and procedures for delivery;

(5) Policies and procedures to reduce energy and water usage, engage in energy conservation and mitigate other environmental impacts;

(6) Policies and procedures for the transfer, acquisition, or sale of marijuana or marijuana products between Marijuana Establishments.

500.140 Additional Operational Requirements for Storefront and Delivery Retail Sale

(A) In addition to the General Operational Requirements for Marijuana Establishments required under 935 CMR 500.105, licensees engaged in storefront or delivery retail sales shall comply with Additional Operational Requirements for Storefront and Delivery Retail Sale under 935

CMR 500.140.

- (B) On-Premises Verification of Identification for Adult Use Only Locations: Upon entry into the premises of a marijuana retailer by an individual, a Marijuana Establishment Agent shall immediately inspect the individual's proof of identification and determine the individual's age. An individual shall not be admitted to the premises unless the marijuana retailer has verified that the individual is 21 years of age or older by an individual's proof of identification.
- (C) On-Premises Verification of Identification for Co-Located Adult Use and Medical Use Locations: Upon entry into the premises of a marijuana retailer that is co-located with a medical marijuana treatment center by an individual, a Marijuana Establishment Agent shall immediately inspect the individual's proof of identification and determine that the individual is 21 years of age or older. If the individual is under 21 years of age but 18 years of age or older, he or she shall not be admitted unless they produce an active Medical Use of Marijuana Program registration card issued by the Department of Public Health. If the individual is under 18 years of age, he or she shall not be admitted unless they produce an active Massachusetts Medical Use of Marijuana Program registration card and they are accompanied by a personal caregiver with an active Massachusetts Medical Use of Marijuana Program registration card. In addition to the Massachusetts Medical Use of Marijuana Program registration card, registered qualifying patients 18 years of age and older and personal caregivers must also produce proof of identification.
- (D) Verification of Identification for Delivery for Adult Use: To purchase marijuana or marijuana products for adult use through delivery, an individual must be able to produce proof of identification demonstrating that they are 21 years of age or older at the time of delivery and prior to the marijuana or marijuana products being removed from the transportation vehicle.
- (E) Limitation on Sales: A marijuana retailer may not sell more than one ounce of marijuana to a consumer at a time, except that not more than 5 grams of such marijuana may be in the form of marijuana concentrate.
- (F) Unauthorized Sales and Right to Refuse Sales
- (1) A Marijuana retailer shall refuse to sell marijuana to any consumer who is unable to produce valid proof of identification.
 - (2) A Marijuana retailer may refuse to sell marijuana or marijuana products dispense to a consumer if, in the opinion of the Marijuana Establishment Agent based on the information available to the agent at that time, the consumer or the public would be placed at risk.
 - (3) A retail marijuana store shall not sell to an individual more than one ounce of marijuana or its equivalent in marijuana products. One ounce of marijuana flower shall be equivalent to 8 grams of Marijuana Concentrate.

- (4) A Marijuana retailer, other than the holder of a Marijuana Social Consumption Operator License, shall not gift marijuana or marijuana products to a consumer contingent upon the sale of any other product.
- (5) A marijuana retailer is prohibited from selling marijuana products containing nicotine.
- (6) A marijuana retailer is prohibited from selling marijuana products containing alcohol, if sales of such alcohol would require licensure pursuant to M.G.L. c.138.

(G) Recording Sales

- (1) A Marijuana retailer shall only utilize a point of sales (POS) system approved by the Commission, in consultation with the Department of Revenue.
- (2) A marijuana retailer may utilize a sales recording module approved by the Department of Revenue.
- (3) A marijuana retailer is prohibited from utilizing software or other methods to manipulate or alter sales data.
- (4) A marijuana retailer shall conduct a monthly analysis of its equipment and sales data to determine that no software has been installed that could be utilized to manipulate or alter sales data and that no other methodology has been employed to manipulate or alter sales data. A marijuana retailer shall maintain records that it has performed the monthly analysis and product it upon request to the Commission. If a marijuana retailer determines that software has been installed for the purpose of manipulation or alteration of sales data or other methods have been utilized to manipulate or alter sales data:
 - (a) it shall immediately disclose the information to the Commission;
 - (b) it shall cooperate with the Commission in any investigation regarding manipulation or alteration of sales data; and
 - (c) take such other action directed by the Commission to comply with 935 CMR 500.105.
- (5) A marijuana retailer shall comply with 830 CMR 62C.25.1 and Department of Revenue Directive 16-1 regarding recordkeeping requirements.

(H) Physical Separation of Marijuana and Marijuana Products for Medical or Adult Use

A marijuana retailer that is co-located with a medical marijuana treatment center shall physically separate marijuana and marijuana products for medical use from marijuana for adult use within the sales area. There shall be a physical barrier that, in the opinion of the Commission, adequately separates sales of marijuana and marijuana products for medical use from marijuana for adult use within the sales area.

(I) Consumer Education. A Marijuana retailer shall make available educational materials about marijuana to consumers. A Marijuana retailer must have an adequate supply of up-to-date educational material available for distribution. Educational materials must be available in languages accessible to all patients served by the Marijuana Establishment, including for the visually- and hearing-impaired. Such materials shall be made available for inspection by the Commission upon request. The educational material must include at least the following:

- (1) A warning that marijuana has not been analyzed or approved by FDA, that there is limited information on side effects, that there may be health risks associated with using marijuana, and that it should be kept away from children;
- (2) A warning that when under the influence of marijuana, driving is prohibited by M.G.L. c. 90 §24, and machinery should not be operated;
- (3) Information to assist in the selection of marijuana, describing the potential differing effects of various strains of marijuana, as well as various forms and routes of administration;
- (4) Materials offered to consumers to enable them to track the strains used and their associated effects;
- (5) Information describing proper dosage and titration for different routes of administration. Emphasis shall be on using the smallest amount possible to achieve the desired effect. The impact of potency must also be explained;
- (6) A discussion of tolerance, dependence, and withdrawal;
- (7) Facts regarding substance abuse signs and symptoms, as well as referral information for substance abuse treatment programs;
- (8) A statement that consumers may not sell marijuana to any other individual; and
- (9) Any other information required by the Commission.

935 CMR 500.145: Additional Operating Requirements for Marijuana Social Consumption Establishments

In addition to the general operating requirements required under 935 CMR 500.105, a marijuana social consumption establishment shall comply with 935 CMR 500.145.

(A) The sale of marijuana and marijuana products for consumption on site shall take place in compliance with the following:

- (1) Marijuana and marijuana products may only be used by consumers on the premises who have demonstrated in compliance with 935 CMR 500.140(B) that they are over 21 years of age; and

(2) Products consumed on the premises of marijuana social consumption establishments shall be provided only in individual servings.

(B) Products consumed on the premises of marijuana social consumption retail establishments shall be purchased only from licensed Marijuana Establishments.

(C) All marijuana products must remain in the original packaging and may not be further processed, except social consumption establishments that are licensed as a restaurant (common victualler) pursuant to M.G.L. c.140, § 2, subject to any guidance developed by the Commission. All preparation of edibles must comply with the requirements under 935 CMR 500.105, 935 CMR 130, and 935 CMR 500.150.

(D) No social consumption establishment may serve or allow the consumption of alcohol in any form on the premises at the same time that the establishment serves or allows the consumption of marijuana in any form on the premises.

(E) In addition to the written operating policies required under 935 CMR 500.105(A), a marijuana social consumption retail establishment shall maintain written policies and procedures for the sale, distribution, and serving of marijuana and marijuana products which shall include but not be limited to:

(1) Methods for identifying, recording, and reporting diversion, theft, or loss, and for correcting all errors and inaccuracies in inventories in compliance with 935 CMR 500.110(H);

(2) Procedures to ensure that marijuana purchased on site does not leave the premises, including disposal procedures;

(3) A reasonable plan to assist patrons in acquiring taxi, ridesharing, or other third-party transportation services. Any such plan must, at a minimum, provide an area with electrical outlets and ports for charging common types of cell phones, identify designated pick-up areas near the premises for ridesharing or taxi services, and provide assistance in calling for taxi services for patrons who do not have access to ridesharing services;

(4) Procedures to ensure that consumers are not over-served; and

(5) Mixed Use Business Licensees shall also maintain procedures to ensure that on-site consumption is limited to an area accessible only to authorized staff 21 years of age and older and consumers 21 years of age and older.

(F) All sales of marijuana products under a social consumption operation license shall be taxed in compliance with the Act.

(G) No licensee shall permit the smoking of marijuana on the premises of a marijuana social consumption establishment before October 1, 2018.

935 CMR 500.150: Edible Marijuana Products

(A) Production of Edible MIPs

Production of edible MIPs shall take place in compliance with the following:

(1) Any edible MIP that is made to resemble a typical food or beverage product must be packaged and labeled as required by M.G.L. c. 94G, § 4(a½)(xxvi) and 935 CMR 500.105(E)-(F).

(2) The manufacture or sale of Edible MIPs in the following shapes is prohibited:

- (a) The distinct shape of a human, animal, or fruit; or
- (b) A shape that bears the likeness or contains characteristics of a realistic or fictional human, animal, or fruit, including artistic, caricature, or cartoon renderings.

(3) Edible MIPs that are geometric shapes and simply fruit-flavored are not considered fruit and are permissible.

(B) Sanitary Requirements

All licensed Marijuana Establishments shall comply with the following sanitary requirements:

(1) All edible MIPs shall be prepared, handled, and stored in compliance with the requirements in 935 CMR 500.105(C)

(C) Additional Labeling and Packaging Requirements for Edible MIPs

(1) In addition to the requirements set forth in M.G.L. c. 94G, § 4(a½)(xxvi) and 935 CMR 500.105(E)-(F), every marijuana retailer must ensure that the following information or statement is affixed to every container holding an Edible MIP:

(a) If the retail Edible MIP is perishable, a statement that the Edible MIP must be refrigerated.

(b) The date on which the Edible MIP was produced.

(c) A nutritional fact panel that must be based on the number of THC servings within the container.

(d) Information regarding the size of each serving for the product by milligrams, the total number of servings of marijuana in the product, and the total amount of active THC in the product by milligrams. For example: “The serving size of active THC in this product is X mg, this product contains X servings of marijuana, and the total amount of active THC in this product is X mg.”

(2) Once a label with a use-by date has been affixed to a container holding an Edible MIP, a licensee shall not alter that date or affix a new label with a later use-by date.

(3) A marijuana product manufacturer must ensure that each single serving of an Edible MIP is physically demarked in a way that enables a reasonable person to intuitively determine how much of the product constitutes a single serving of active THC.

(4) Each serving of an Edible MIP within a multi-serving package of Edible MIP's must be easily separable in order to allow an average person 21 years of age and over to physically separate, with minimal effort, individual servings of the product.

(5) Each single serving of an Edible MIP contained in a packaged unit of multiple Edible MIPs shall be marked, stamped, or otherwise imprinted with a symbol or easily recognizable mark issued by the Commission that indicates the package contains marijuana or a marijuana product.

(D) Dosing Limitations

A marijuana product manufacturer may not prepare, and a marijuana retailer may not deliver, sell or otherwise transfer an Edible MIP with potency levels exceeding the following, as tested by an independent marijuana testing facility licensed in accordance with M.G.L. c. 94G, § 15:

- (1) for a single serving of an Edible MIP, five milligrams of active tetrahydrocannabinol (THC); and
- (2) in a single package of multiple Edible MIPs to be eaten, swallowed, or otherwise ingested, not more than 20 servings or 100 milligrams of active THC.
- (3) The THC content must be homogenous, or evenly distributed throughout the Edible MIP.

500.160: Testing of Marijuana and Marijuana Products

- (A) Testing of Marijuana and Marijuana Products shall be performed by an independent testing laboratory in compliance with the *Protocol for Sampling and Analysis of Finished Medical Marijuana Products and Marijuana-Infused Products, as amended in November, 2016, published by the Department of Public Health*. Testing of environmental media (e.g., soils, solid growing media, and water) shall be performed in compliance with the *Protocol for Sampling and Analysis of Environmental Media for Massachusetts Registered Medical Marijuana Dispensaries* published by the Department of Public Health.
- (B) The Marijuana Establishment shall maintain the results of all testing for no less than one year;
- (C) A Marijuana Establishment shall have a written policy for responding to laboratory results that indicate contaminant levels are above acceptable limits established in the Department of Public Health protocols identified in 935 CMR 500.160. Any such policy shall include notifying the Commission within 72 hours of any laboratory testing results indicating that the contamination cannot be remediated and disposing of the production batch. The notification must be from both the Marijuana Establishment and the independent testing laboratory, separately and directly. The notification from the Marijuana Establishment must describe a proposed plan of action for both the destruction of the contaminated product and the assessment of the source of contamination.
- (D) All transportation of marijuana to and from independent testing laboratories providing marijuana testing services shall comply with 935 CMR 500.105(M).

- (E) All storage of marijuana at a laboratory providing marijuana testing services shall comply with 935 CMR 500.105(K); and
- (F) All excess marijuana must be disposed in compliance with 935 CMR 500.105(L), either by the independent testing laboratory returning excess marijuana to the source Marijuana Establishment for disposal or by the independent testing laboratory disposing of it directly.

500.170: Municipal Requirements

- (A) A Marijuana Establishment and other registered persons shall comply with all local rules, regulations, ordinances, and bylaws.
- (B) Nothing in 935 CMR 500.000 shall be construed so as to prohibit lawful local oversight and regulation, including fee requirements, that does not conflict or interfere with the operation of 935 CMR 500.000.

500.200: Martha's Vineyard and Nantucket

- (A) To the extent permitted by law, Marijuana Establishments operating from locations on Nantucket or Martha's Vineyard may operate in full compliance with 935 CMR 500.000, et. Seq.
- (B) If Marijuana Establishments operating from locations on Nantucket or Martha's Vineyard are prevented from operating in full compliance with 935 CMR 500 by operation of law, they are not required to utilize independent testing laboratories until such time as an independent laboratory is located on the island where the Marijuana Establishment is located or the Marijuana Establishment can transport marijuana or marijuana product to the mainland of Massachusetts.
- (C) If Marijuana Establishments operating from locations on Nantucket or Martha's Vineyard are prevented from utilizing independent testing laboratories by operation of law, they are required to test marijuana and marijuana products in a manner that is not unreasonable, impracticable but also adequately protects the public health in the opinion of the Commission. Such testing may include:
 - (1) a modified on-premises testing system approved by the Commission if the label on any marijuana or marijuana product so tested discloses in capital letters: **WARNING: LIMITED TESTING FOR CONTAMINANTS AND PESTICIDES;**
 - (2) a testing facility on Martha's Vineyard or Nantucket that does not meet the criteria for an independent testing laboratory, but is approved by the Commission for testing by Marijuana Establishments located on Martha's Vineyard or Nantucket; or
 - (3) Such other testing system approved by the Commission.

500.300: Inspections and Compliance

- (A) The Commission or its agents may inspect a Marijuana Establishment and affiliated vehicles at any time without prior notice in order to determine the Marijuana Establishment's compliance with the Act and 935 CMR 500.000. All areas of a Marijuana Establishment, all Marijuana Establishment Agents and activities, and all records are subject to such inspection. Acceptance of a license by a Marijuana Establishment constitutes consent for such inspection.
- (B) A Marijuana Establishment shall immediately upon request make available to the Commission all information that may be relevant to a Commission inspection, or an investigation of any incident or complaint.
- (C) A Marijuana Establishment shall make all reasonable efforts to facilitate the Commission's inspection, or investigation of any incident or complaint, including the taking of samples, photographs, video or other recordings by the Commission or its agents, and to facilitate the Commission's interviews of Marijuana Establishment Agents,
- (D) An inspection or other investigation may be made prior to the issuance of a license or renewal of registration. Additional inspections may be made whenever the Commission deems it necessary for the enforcement of the Act and 935 CMR 500.000.
- (E) During an inspection, the Commission may direct a Marijuana Establishment to test marijuana for contaminants as specified by the Commission, including but not limited to mold, mildew, heavy metals, plant-growth regulators, and the presence of pesticides not approved for use on marijuana by the Massachusetts Department of Agricultural Resources.

500.301: Unannounced Purchase for Purpose of Testing (Secret Shopper Program)

- (A) Secret Shopper Program Authorized: The Commission, at any time and without prior notice, authorize an employee or other agent to pose as a customer and purchase any marijuana or marijuana products from any licensed Marijuana Establishment for the purpose of delivery to and testing at an Independent Testing Laboratory or Standards Laboratory. The Commission may authorize such purchase for purposes of testing for quality and compliance with the Act or 935 CMR 500.000. The purchasing employee or agent shall document the purchase, including the date, time, and place of purchase, type and amount of marijuana or marijuana-related product, and any other information required by the Commission.
- (B) Custody and Preservation of Purchases: The marijuana or marijuana products purchased as part of the program shall be securely stored during transport in a manner to prevent contamination or spoilage.
- (C) Contamination and Spoilage During Storage or Transport: Any contamination or spoilage of purchases under the Secret Shopper Program during storage or transport while under the control of the purchaser shall be promptly documented by the purchaser in writing and reported to the Commission. The Commission may authorize the disposal of the contaminated or spoiled

purchase, pursuant to the regulations concerning marijuana waste disposal under 935 CMR 500.105(L).

(D) Use of Secret Shopper Test Results: Results of testing conducted under Secret Shopper Program shall be promptly submitted to the Commission.

(1) All test results for marijuana or marijuana-related products shall be retained as part of the records for the licensed Marijuana Establishment from which the purchase originated.

(2) The licensed Marijuana Establishment may be notified of any test results determined by the Commission to be non-compliant and a time and manner determined by the Commission.

(3) After the Marijuana Establishment is notified of the test results, such results may be used by the Commission to take action on the license of the Marijuana Establishment pursuant to 935 CMR 500.500 or assess civil penalties pursuant to 935 CMR 500.500.

(4) Without notice to the Marijuana Establishment, the Commission may share such test results with any other regulatory agency acting within their jurisdiction.

(5) The Commission may elect to conduct further evaluation of the tested purchase or test results at any time for verification or for other purposes reasonably related to sanitation, public health or public safety.

500.302: Complaints Process

(A) In a time and manner determined by the Commission, a dedicated telephone number, email address or other means shall be provided for members of the public or consumers to notify the Commission of complaints regarding Marijuana Establishments or Marijuana Establishment Agents.

(B) The Commission may, at its discretion, investigate or decline to investigate any complaint or refer a complaint to another law enforcement or regulatory authority.

500.310: Deficiency Statements

After an inspection in which a violation of 935 CMR 500.000 or the Act is observed or a violation is otherwise determined to have occurred, the Commission shall issue a Deficiency Statement citing every violation identified, a copy of which shall be left with or sent to the Marijuana Establishment.

500.320: Plan of Correction

- (A) A Marijuana Establishment shall submit to the Commission a written Plan of Correction for any violations cited in the Deficiency Statement issued pursuant to 935 CMR 500.310 within 10 business days after receipt of the Deficiency Statement.
- (B) Every Plan of Correction shall state, with respect to each deficiency, the specific corrective step(s) to be taken, a timetable for such steps, and the date by which compliance with 935 CMR 500.000 will be achieved. The timetable and the compliance dates shall be consistent with achievement of compliance in the most expeditious manner possible.
- (C) The Commission shall review the Plan of Correction for compliance with the requirements of 935 CMR 500.000 and the Act and shall notify the Marijuana Establishment of either the acceptance or rejection of the plan. An unacceptable plan must be amended and resubmitted within five business days after receipt of such notice.

500.330: Marijuana Establishment Registration: Limitation of Sales

- (A) If the Commission determines that a Marijuana Establishment does not substantially comply with applicable provisions of 935 CMR 500.000 or the Act, the Commission may order that the Marijuana Establishment shall not sell marijuana, after a date specified.
- (B) The Commission shall not make such a determination until a Marijuana Establishment has been notified that the Marijuana Establishment does not substantially comply with applicable provisions of 935 CMR 500.000 or the Act, that an order to limit sales is contemplated, and that the Marijuana Establishment has a reasonable opportunity to correct the deficiencies.
- (C) An order that a Marijuana Establishment shall not sell marijuana pursuant to 935 CMR 500.330(A) may be rescinded when the Commission finds that the Marijuana Establishment is in substantial compliance with the applicable provisions of 935 CMR 500.000.

500.340: Summary Cease and Desist Order and Quarantine Order

- (A) A summary cease and desist order or quarantine order may be imposed by the Commission prior to a hearing, in order immediately to stop or restrict operations by a Marijuana Establishment to protect the public health, safety, or welfare. The Commission may rescind or amend a summary cease and desist order or quarantine order.
- (B) If, based upon inspection, affidavits, or other evidence, the Commission determines that a Marijuana Establishment or the products produced or prepared by a Marijuana Establishment pose an immediate or serious threat to the public health, safety, or welfare, the Commission may:
 - (1) Issue a cease and desist order and/or quarantine order, requiring cessation or restriction of any or all Marijuana Establishment operations, and prohibiting the use of marijuana produced by that Marijuana Establishment; or

(2) Issue a cease and desist order placing restrictions on a Marijuana Establishment, to the extent necessary to avert a continued threat, pending final investigation results.

- (C) The requirements of the cease and desist order or the quarantine order shall remain in effect until the Commission rescinds or amends such requirements or until such time as the Commission takes final action on any related pending complaint and issues a final decision.

500.350: Summary Suspension Order

The Commission may summarily suspend any registration card or license issued pursuant to 935 CMR 500.000, pending further proceedings for denial of renewal or revocation of a registration or license, whenever the Commission finds that the continued licensure poses an imminent danger to the public health, safety, or welfare.

500.400: Marijuana Establishment: Grounds for Denial of Initial Application for License

Each of the following, in and of itself, constitutes full and adequate grounds for denying an initial application for a Marijuana Establishment license.

- (A) Information provided by the applicant was misleading, incorrect, false, or fraudulent;
- (B) The application indicates an inability to maintain and operate a Marijuana Establishment in compliance with the requirements of the Act, 935 CMR 500.105 and 935 CMR 500.110 based on the submission of information required by 935 CMR 500.100 (A) and (B);
- (C) The applicant has been determined to be either not responsible or suitable pursuant to any one or more of the factors listed in 935 CMR 500.901;
- (D) The applicant failed to complete the application process within the time required by the Commission;
- (E) Members or executives of the Marijuana Establishment were members or executives of a Marijuana Establishment that had its license revoked or denied renewal in the Commonwealth or another jurisdiction; or
- (F) Any other ground that serves the purposes of 935 CMR 500.000 or the Act.

500.415: Void Marijuana Establishment License

A Marijuana Establishment license is void if the Marijuana Establishment transfers its location without Commission approval or ceases to operate.

500.450: Marijuana Establishment License: Grounds for Denial of Renewal Applications and Revocation

Each of the following, in and of itself, constitutes full and adequate grounds for denying the renewal application for a Marijuana Establishment license or revoking the license of a Marijuana Establishment.

- (A) The Marijuana Establishment is not operational within the time projected in the license application or the time otherwise approved by the Commission.
- (B) Information provided by the Marijuana Establishment was materially inaccurate, incomplete, or fraudulent.
- (C) The Marijuana Establishment has failed to comply with any requirement of the Act or 935 CMR 500.000 or any applicable law or regulation, including laws and regulations of the Commonwealth relating to taxes, child support, workers' compensation, and professional and commercial insurance coverage.
- (D) The Marijuana Establishment has failed to submit a Plan of Correction as required or to implement a Plan of Correction as submitted pursuant to 935 CMR 500.320.
- (E) The Marijuana Establishment has assigned or attempted to assign its license to another entity without prior approval of the Commission.
- (F) There has been a lack of responsible operation of the Marijuana Establishment, as shown by, but not limited to, one or more of the following:
 - (1) Failure to maintain the Marijuana Establishment in a clean, orderly, and sanitary fashion;
 - (2) Permitting a Marijuana Establishment Agent to use a registration card belonging to a different person;
 - (3) Repeated sales or marijuana or marijuana products to individuals under 21 years of age, unless in each instance, the Marijuana Establishment Agent reasonably relied upon validly issued government identification in compliance with M.G.L. c.94G §9(b);
 - (4) Repeated failure to verify the age of an individual prior to permitting that individual on the premises of a Marijuana Establishment or making sales of marijuana or marijuana products to that individual; or
 - (5) Other incompetent or negligent operation.
- (G) The financial management of the Marijuana Establishment has resulted in the filing of a petition for bankruptcy or receivership related to the financial solvency of the Marijuana Establishment.

- (H) An executive or member of a Marijuana Establishment has maintained a substandard level of compliance with the statutory and regulatory requirements for the operation of a Marijuana Establishment in another jurisdiction, including, but not limited to, failure to correct deficiencies, a limitation upon or a suspension, revocation, or refusal to grant or renew a registration or license to operate.
- (I) A Marijuana Establishment Agent has a history of criminal conduct as evidenced by any criminal proceedings against such individual or marijuana facilities in which such individual either owned shares of stock or served as a corporate officer, and which resulted in conviction, guilty plea, plea of nolo contendere, or admission to sufficient facts.
- (J) An executive or member of a Marijuana Establishment has committed, permitted, aided, or abetted any illegal practices in the operation of any Marijuana Establishment.
- (K) The Marijuana Establishment has failed to cooperate or give information to a law enforcement official acting within his or her lawful jurisdiction related to any matter arising out of conduct at any Marijuana Establishment.
- (L) The conduct or practices of the Marijuana Establishment have been detrimental to the safety, health, or welfare of registered qualified patients, personal caregivers, or the public.
- (M) The conduct and/or practices of the Marijuana Establishment demonstrate a lack of responsibility or suitability as specified in 935 CMR 500.100.
- (N) Any other ground that serves the purposes of 935 CMR 500.000 or the Act.

500.500: Hearings and Appeals of Actions on Licenses

(A) Notice of Violations. The Commission shall send written notice of the alleged violation(s) to a licensee. The written notice shall provide the licensee with a statement of the grounds for the action and of the right to request a hearing and the time-period for such request.

(B) Hearings.

(1) Generally. All hearings held pursuant to 935 CMR 500.500 shall be conducted in accordance with chapter 30A of the General Laws and 801 CMR 1.02: Informal/Fair Hearing Rules and shall be conducted by a Hearing Officer determined by the Commission.

(2) Hearings on Summary Cease and Desist Orders or Quarantine Orders.

(a) Upon written request filed with the Commission a registrant shall be afforded a hearing.

(b) A request for a hearing shall be filed no later than 28 calendar days after the effective date of a summary cease and desist order or quarantine order issued pursuant to 935 CMR 500.340.

(c) For the order to be sustained the Commission must prove by a preponderance of the evidence that there existed immediately prior to, or

at the time of the order, an immediate or serious threat to the public health, safety, or welfare.

- (3) Hearings on Summary Suspension Orders.
 - (a) Upon written request filed with the Commission a registrant shall be afforded a hearing.
 - (b) A request for a hearing shall be filed no later than 14 calendar days after the effective date of a summary suspension order issued pursuant to 935 CMR 500.350.
 - (c) For the order to be sustained the Commission must prove by a preponderance of the evidence that there existed immediately prior to, or at the time of the suspension, an imminent danger to the public health, safety, or welfare.
- (4) Hearings on Other Actions. Notwithstanding 935 CMR 500.500(B)(2) and (3), for all other actions adverse to a licensee or registrant the Commission shall provide written notice and shall provide a hearing, if a hearing is requested in writing, within 21 calendar days after the effective date stated in the notice, prior to:
 - (a) Denying a renewal application for a registration card;
 - (b) Revoking a registration card for a Marijuana Establishment Agent or Marijuana Related-Business Agent;
 - (c) Denying a renewal application of a Marijuana Establishment;
 - (d) Revoking the license of a Marijuana Establishment;
 - (e) Limiting sales of marijuana by a Marijuana Establishment; or
 - (f) Imposition of a fine.
- (5) Final Decision. The Commission shall bear the burden of proving by a preponderance of the evidence the basis for the action taken. All decisions of the Hearing Officer shall be in writing. The decision of the Hearing Officer shall be considered to be a final decision by the Commission.
- (6) Appeals. Any person aggrieved by a determination of the Commission may appeal the decision to the Superior Court in accordance with M.G. L. c. 30A, §14.
- (7) Timeliness. The right to a hearing shall be waived if a hearing permitted under 935 CMR 500.500(B) is not requested within the specified time.

500.650: Non-Conflict with Other Law

(A) Nothing in 935 CMR 500.000 shall be construed to limit the applicability of other law as it pertains to the rights of landlords, employers, law enforcement authorities, or regulatory agencies, except as otherwise provided herein.

(B) Nothing in 935 CMR 500.000:

- (1) Allows the operation of a motor vehicle, boat, or aircraft while under the influence of marijuana;

- (2) Requires the violation of federal law or purports to give immunity under federal law;
or
- (3) Poses an obstacle to federal enforcement of federal law.

500.700: Waivers

The Commission may waive applicability of one or more of the requirements imposed by 935 CMR 500.000 upon finding that:

- (A) Compliance would cause undue hardship to the requestor;
- (B) If applicable, the requestor's non-compliance does not jeopardize the health or safety of any patient or the public;
- (C) If applicable, the requestor has instituted compensating features that are acceptable to the Commission; and
- (D) The requestor provides to the Commission written documentation, in a form and manner determined by the Commission, supporting its request for a waiver.

500.750: Notice

- (A) The Commission shall maintain a list of individuals or entities that request notice.
- (B) Notice shall be provided, in a time and manner to be determined by the Commission, to those individuals or entities on the list in advance for:
 - (1) Meetings of the Cannabis Control Commission;
 - (2) Meetings of the Cannabis Advisory Board; and
 - (3) Other events determined by the Commission, in its discretion.
- (C) The individual or entity is responsible for ensuring that the information provided to the Commission for the purpose of receiving notice remains current.

500.800: Severability

The provisions of 935 CMR 500.000 are severable. If a court of competent jurisdiction declares any section, subsection, paragraph, or provision unconstitutional or invalid, the validity of the remaining provisions shall not be affected.

500.900: Background Check Suitability Standard for Licensure and Registration

500.901: Suitability Standard for Licensure

- A. In accordance with M.G.L. c. 94G, §5, the Commission is prohibited from licensing a Marijuana Establishment where an individual who is a controlling person has been convicted of a felony or offense in another state that would be a felony in the Commonwealth, except a prior conviction solely for a marijuana offense or solely for a

violation of section 34 of chapter 94C of the General Laws, unless the offense involved distribution of a controlled substance, including marijuana, to a minor.

B. For purposes of determining suitability based on Background Checks in accordance with 935 CMR 500.100(A)-(B):

1. All conditions, offenses, and violations are construed to include Massachusetts law or like/similar law(s) of another state, the United States, a military, territorial or Native American tribal authority, or any other jurisdiction. All criminal disqualifying conditions, offenses, and violations include the crimes of attempt, accessory, conspiracy, and solicitation. Juvenile dispositions shall not be considered as a factor for determining suitability.
2. Where applicable, all look back periods for criminal conditions, offenses, and violations included in Table A commence upon the date of disposition; provided, however, that if disposition results in incarceration in any institution, the look back period shall commence upon release from incarceration.
3. A Presumptive Negative Suitability Determination may issue if reliable information demonstrates that the applicant for licensure or licensee acted in a manner that resulted in jeopardy to the health, safety, or welfare of any person, or that an applicant for licensure or licensee's actions are not consistent with the public interest.
4. There shall be a Suitability Review Committee appointed by the Executive Director of the Commission for the purpose of: (a) considering whether offense(s) or information that would result in a Presumptive Negative Suitability Determination under Table A renders the subject unsuitable for licensure; and (b) to consider appeals of determinations of unsuitability based on claims of erroneous information received as part of the background check during the application process in accordance with 803 CMR 2.19. All reviews shall be on the basis of written information and evidence.
 - i. Reviews under 935 CMR 500.901(B)(4)(a) shall be instituted by the Suitability Review Committee upon notification by designated investigative services staff or contractors of the need for a review.
 - ii. Reviews under 935 CMR 500.901(B)(4)(b) for appeals of determinations of unsuitability based on claims of erroneous information obtained as part of the background check shall be accompanied by the appropriate form as determined by the Commission and shall be filed no later than 10 business days following receipt of the negative determination. Requests received after 10 business days shall be considered at the discretion of the Suitability Review Committee.
5. The Suitability Review Committee shall advise the Executive Director who shall make a recommendation to the full Commission, which may adopt the

recommendation. A determination of the suitability for licensure where there is a Presumptive Negative Suitability Determination under Table A shall be on the basis of the following factors:

- i. Time since the offense or incident;
- ii. Age of the subject at the time of the offense or incident;
- iii. Nature and specific circumstances of the offense or incident;
- iv. Sentence imposed and length, if any, of incarceration, if criminal;
- v. Penalty or discipline imposed, including damages awarded, if civil or administrative;
- vi. Relationship of offense or incident to nature of work to be performed;
- vii. Number of offenses or incidents;
- viii. Whether offenses or incidents were committed in association with dependence on drugs or alcohol from which the subject has since recovered;
- ix. If criminal, any relevant evidence of rehabilitation or lack thereof, such as information about compliance with conditions of parole or probation, including orders of no contact with victims and witnesses, and the subject's conduct and experience since the time of the offense, including but not limited to professional or educational certifications obtained; and
- x. Any other relevant information, including information submitted by the subject to the Suitability Review Committee or requested by the Commission.

Table A: Marijuana Establishment Agent Licensees. Shall apply solely to Marijuana Establishment Agents listed on the application for licensure in accordance with 935 CMR 500.100(A)(1) and (B)(2).

<u>Time Period</u>	<u>Precipitating Issue</u>	<u>Result</u>
Present (during time from start of application process through action on application.)	Open/Unresolved Criminal Proceedings: any outstanding or unresolved criminal proceeding, the disposition of which may result in a felony conviction under the laws of the Commonwealth or a similar law in another jurisdiction but excluding any criminal proceeding based solely on a marijuana-related offense or a violation of section 34 of chapter 94C of the General Laws.	Mandatory Disqualification
	Open/Unresolved Marijuana Business-Related License Violations (Massachusetts or other jurisdictions): an outstanding or unresolved violation of the regulations as included in 935 CMR 500.000 et. seq. or a similar statute or regulations in another jurisdiction that has either (a) remained unresolved for a period of six (6) months or more; or (b) the nature of which would result in a determination of unsuitability for licensure.	Mandatory Disqualification
	Outstanding or unresolved criminal warrants	Presumptive Negative Suitability Determination (see 935 CMR 500.901(B)(3)-(5))
Indefinite	Sex Offender Registration: required to register as a sex offender in any jurisdiction.	Mandatory Disqualification
	Felony convictions in Massachusetts or other jurisdictions, including but not limited to: Felony weapons violation involving narcotics; Felony violence against a person; Felony involving theft or fraud;	Mandatory Disqualification

Indefinite (cont'd)	Felony drug, excluding conviction under M.G.L. c. 94C, §34	
	Conviction or CWOFF for any distribution of a controlled substance to a minor	Mandatory Disqualification
	Non-felony weapons violations, including firearms, involving narcotics	Presumptive Negative Suitability Determination (see 935 CMR 500.901(B)(3)-(5))
	Firearms crimes	Presumptive Negative Suitability Determination (see 935 CMR 500.901(B)(3)-(5))
Preceding Five (5) Years	Multiple criminal complaints during the five (5) years immediately preceding the application for licensure that separately may not result in a negative determination of suitability but may, if taken together and tending to show a pattern of harmful behavior, result in a negative determination of suitability depending on the type and severity of the complaints.	Presumptive Negative Suitability Determination (see 935 CMR 500.901(B)(3)-(5))

500.902: Suitability Standard for Registration as a Marijuana Establishment Agent

- A. The regulation included at 935 CMR 500.902 shall apply to Marijuana Establishment Agents or applicants in their capacity as employees or volunteers for a Marijuana Establishment licensed pursuant to 935 CMR 500.100 and shall be used by the Marijuana Establishment executive registered with the Department of Criminal Justice Information Systems pursuant to 803 CMR 2.04(2) and the Commission for purposes of determining suitability for registration as a Marijuana Establishment Agent with the licensee.
- B. For purposes of determining suitability based on Background Checks performed in accordance with 935 CMR 500.030(A):
 1. All conditions, offenses, and violations are construed to include Massachusetts law or like/similar law(s) of another state, the United States, a military, territorial or Native American tribal authority, or any other jurisdiction. All criminal disqualifying conditions, offenses, and violations include the crimes of attempt, accessory, conspiracy, and solicitation. Juvenile dispositions shall not be considered as a factor for determining suitability.
 2. Where applicable, all look back periods for criminal conditions, offenses, and violations included in Tables B-D commence upon the date of disposition;

provided, however, that if disposition results in incarceration in any institution, the look back period shall commence upon release from incarceration.

3. A Presumptive Negative Suitability Determination may issue if reliable information demonstrates that the applicant for registration or registrant acted in a manner that resulted in jeopardy to the health, safety, or welfare of any person, or that an applicant for licensure or licensee's actions are not consistent with the public interest.
4. There shall be a Suitability Review Committee appointed by the Executive Director of the Commission for the purpose of: (a) considering whether offense(s) or information that would result in a Presumptive Negative Suitability Determination under Tables B-E renders the subject unsuitable for registration regardless of the determination of the licensee; and (b) to consider appeals of determinations of unsuitability based on claims of erroneous information received as part of the background check during the application process in accordance with 803 CMR 2.17-2.18. All reviews shall be on the basis of written information and evidence.
 - i. Reviews under 935 CMR 500.902(B)(4)(a) shall be instituted by the Suitability Review Committee upon notification by designated investigative services staff or contractors of the need for a review.
 - ii. Reviews under 935 CMR 500.902(B)(4)(b) for appeals of determinations of unsuitability based on claims of erroneous information obtained as part of the background check shall be accompanied by the appropriate form as determined by the Commission and shall be filed no later than 10 business days following receipt of the negative determination. Requests received after 10 business days shall be considered at the discretion of the Suitability Review Committee.
5. The Suitability Review Committee shall advise the Executive Director who shall make a recommendation to the full Commission, which may adopt the recommendation. A determination of the suitability for registration where there is a Presumptive Negative Suitability Determination under Tables B-D shall be on the basis of the following factors:
 - i. Time since the offense or incident;
 - ii. Age of the subject at the time of the offense or incident;
 - iii. Nature and specific circumstances of the offense or incident;
 - iv. Sentence imposed and length, if any, of incarceration, if criminal;
 - v. Penalty or discipline imposed, including damages awarded, if civil or administrative;
 - vi. Relationship of offense or incident to nature of work to be performed;
 - vii. Number of offenses or incidents;

- viii. Whether offenses of incidents were committed in association with dependence on drugs or alcohol from which the subject has since recovered;
- ix. If criminal, any relevant evidence of rehabilitation or lack thereof, such as information about compliance with conditions of parole or probation, including orders of no contact with victims and witnesses, and the subject’s conduct and experience since the time of the offense, including but not limited to professional or educational certifications obtained; and
- x. Any other relevant information, including information submitted by the subject to the Suitability Review Committee or requested by the Commission.
